

This filing relates to a proposed business combination between Rodman & Renshaw Capital Group, Inc. ("Rodman") and Cowen Group, Inc. ("Cowen").

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. This material is not a substitute for the prospectus/proxy statement Rodman would file with the SEC if an agreement between Rodman and Cowen is reached or any other documents which Rodman may file with the Securities and Exchange Commission ("SEC") and send to Cowen and Rodman shareholders in connection with the proposed transaction. **INVESTORS AND SECURITY HOLDERS OF COWEN AND RODMAN ARE URGED TO READ ANY SUCH DOCUMENTS FILED WITH THE SEC CAREFULLY IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.**

Investors and security holders will be able to obtain free copies of any documents filed with the SEC by Rodman through the website maintained by the SEC at www.sec.gov. Free copies of any such documents can also be obtained by accessing the Investor Relations section of Rodman's website at www.rodman.com or directing a request to Investor Relations, Rodman & Renshaw Capital Group, Inc., 1251 Avenue of the Americas, New York, New York 10020.

Rodman and its directors and executive officers and other persons may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction. Information regarding Rodman's directors and executive officers is available in its Annual Report on Form 10-K for the year ended December 31, 2007, which was filed with the SEC on March 14, 2008, and its proxy statement for its 2008 annual meeting of stockholders, which was filed with the SEC on October 1, 2008. Other information regarding the participants in a proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in any proxy statement/prospectus filed in connection with the proposed transaction.

Statements in this communication that are "forward-looking statements" are based on current expectations and assumptions that are subject to risks and uncertainties. Actual results could differ materially because of factors such as Rodman's ability to achieve the synergies and value creation contemplated by the proposed transaction, Rodman's ability to promptly and effectively integrate the businesses of Rodman and Cowen, the timing to consummate the proposed transaction and any necessary actions to obtain required regulatory approvals, and the diversion of management time on transaction-related issues. For further information regarding risks and uncertainties associated with Rodman's business, please refer to the "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" sections of Rodman's SEC filings, including, but not limited to, its annual report on Form 10-K and quarterly reports on Form 10-Q, copies of which may be obtained by contacting Rodman's Investor Relations department at (212) 356-0500 or at Rodman's website at <http://www.rodman.com>.

All information in this communication is as of the date hereof. Rodman undertakes no duty to update any forward-looking statement to conform the statement to actual results or changes in the company's expectations.

Rodman's Cost Management Compared to Our Peers

Cowen Group, Inc. (NASDAQ: COWN)

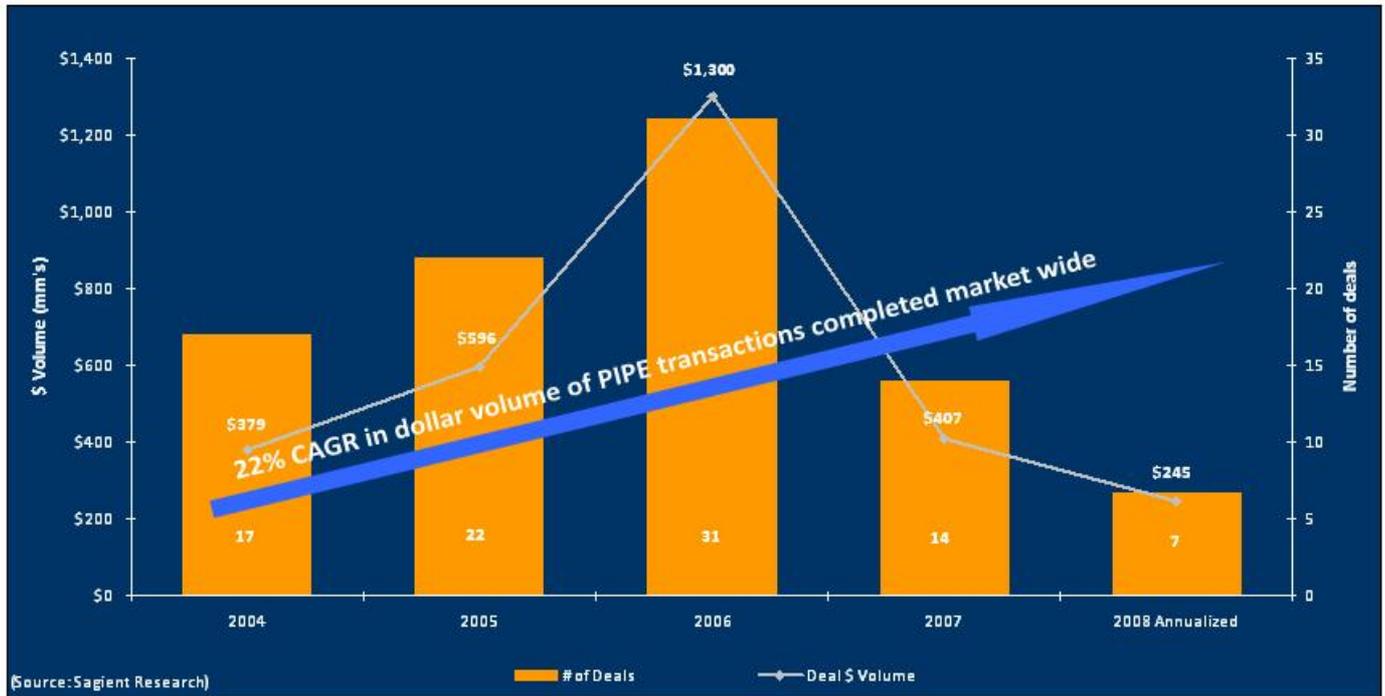

- Cowen's sector and market cap focus compared to Rodman's
 - § Shared healthcare focus
 - Little overlap with Rodman's healthcare banking and research coverage
 - § Cowen's other target sectors complement Rodman's non-healthcare focus on energy and metals/mining:
 - Aerospace & Defense
 - Alternative Energy
 - Consumer
 - Technology
 - Telecommunications
- Meaningful presence on West Coast, Asia, and Europe
 - § Complementary to Rodman's geographic footprint
- Focus on cash equities/research franchise (low margins), equity capital markets; substantial decline in once-profitable PIPEs franchise
- Strong, liquid balance sheet deteriorating due to recurring losses
 - § Cash balance of approximately \$111.9 million, as of 09/30/08, less \$34.7 million accrued for bonus payments⁽¹⁾
 - § Persistent losses are steadily draining cash: \$38.1 million net operating cash outflows between 01/01/07 and 09/30/08⁽²⁾
 - § Current market valuation/analysts' estimates reflect expectation of indefinite continuing net cash outflows

⁽¹⁾ Cowen's Quarterly Report on Form 10-Q for the period ended 09/30/08 as filed with the SEC

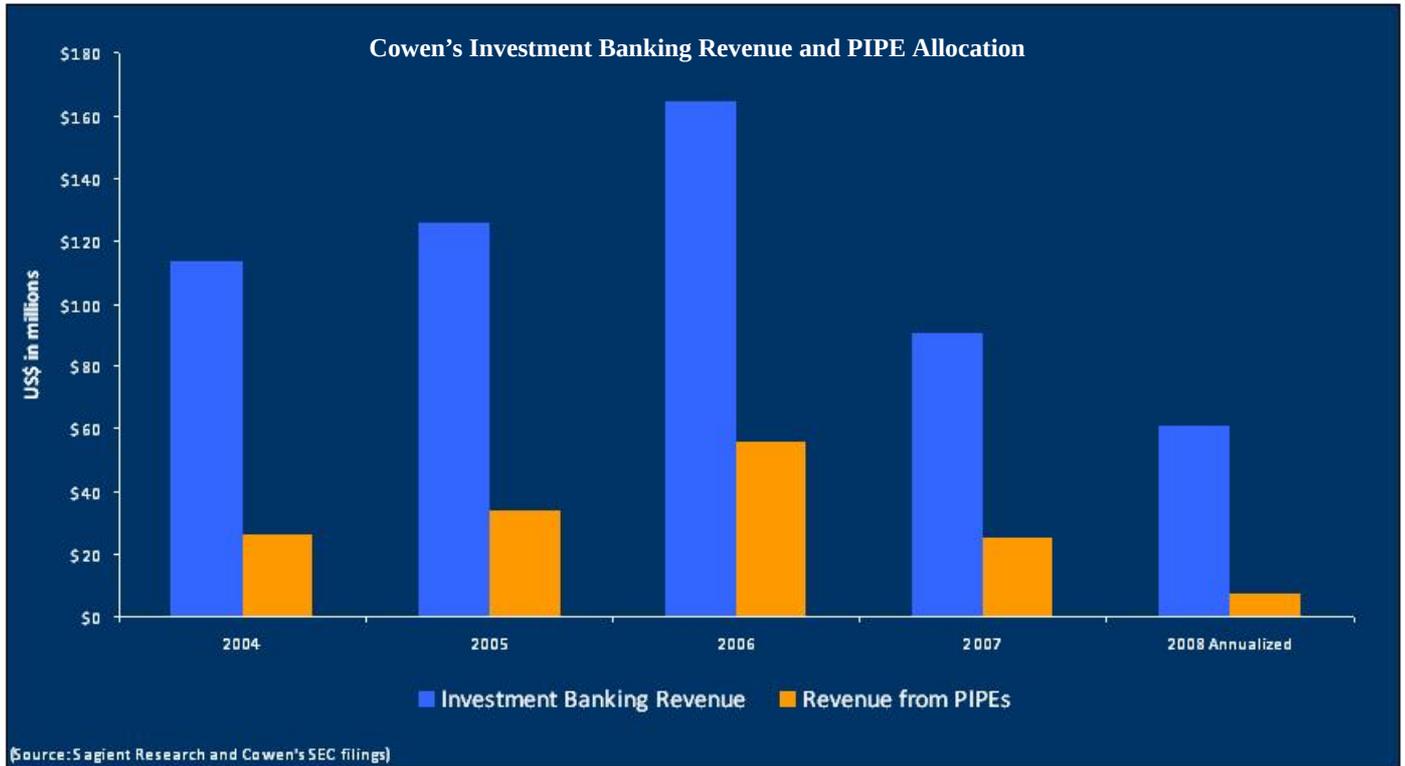

⁽²⁾ Cowen's SEC filings

Cowen's PIPE Practice (2004 - 2008 Annualized)

Cowen's PIPE practice has declined substantially, even though PIPEs are a growing, profitable and counter-cyclical product attractive to Cowen's target sectors

Revenue Impact of Cowen's Recent PIPEs Performance

Strategic Benefits of the Proposed Combination

Broad Sector Coverage for Combined Firm

- Market leader in Life Science / Healthcare
- Expanded platform in Alternative Energy, Metals & Mining, and Energy
- Retained presence in Consumer, Aerospace & Defense and TMT

Product and Revenue Expansion

- Restore PIPEs revenue to Cowen's existing Healthcare client base
- Drive PIPEs revenue in new sectors
- Enhanced capital markets, research, sales and trading services across Rodman's existing client base

Geographic Footprint

- Expanded footprint within North America through offices in Houston, Calgary and superior West Coast coverage
- Leverage Cowen's infrastructure in Asia and Europe with existing Rodman relationships and pipeline

Reap the benefits of combined Finance, Mergers & Acquisitions, Research and Sales & Trading platforms

Principal investment activities are complementary with no overlap

Benefits of Implementing Rodman's Model to Expense Management

- Change mindset by bringing in a management team with meaningful equity stake
 - § Increased alignment of interest between management and stockholders
- Remove layers of redundant staff and management
- Align producer compensation with productivity and performance
- Migrate Rodman's approach to non-compensation expense
 - § IT
 - § Business development
 - § Data management
- Improve cash management and expense control
