Item 2.01. Completion of Acquisition or Disposition of Assets.

On November 20, 2018, Cowen Inc. (the “Company”), together with Cowen International Limited and Cowen QN Acquisition LLC, each an indirect wholly-owned subsidiary of the Company (collectively, the “Buyers”), entered into a Purchase Agreement (the “Purchase Agreement”) with the direct owners of equity interests (collectively, the “Sellers”) in Quarton Management AG, Quarton International Europe AG, Quarton Partners, LLC and Quarton Securities GP, LLC (together with their subsidiaries, the “Group Companies”), certain individuals who are the owners of the Sellers that are entities (the “Beneficial Owners”), and certain of the Beneficial Owners acting in their capacity as representatives of the Sellers and the other Beneficial Owners. The Purchase Agreement contemplates a purchase by the Company, directly or indirectly, of one hundred percent of the outstanding equity interests of the Group Companies from the applicable Sellers (the “Acquisition”).

The Acquisition was consummated effective as of January 2, 2019 and, in connection therewith, the Company paid a closing purchase price of \$75 million (the “Closing Purchase Price”), subject to certain net working capital and other customary adjustments. A portion of the Closing Purchase Price was deposited into escrow in cash. The portion of the Closing Purchase Price paid to the Sellers in connection with the closing of the Acquisition was made in a combination of 80% cash and 20% shares of the Company’s Class A Common Stock (“Common Stock”), with such shares valued based on the 30-trading day volume-weighted average price per share as of December 31, 2018.

Pursuant to the Purchase Agreement, the Buyers will pay to the Sellers contingent payments based on the annual revenues (as calculated under the Purchase Agreement) attributable to the completion of certain M&A and debt advisory transactions by the Group Companies and the Company, subject to the terms and on the conditions set forth in the Purchase Agreement, in each of the first four years following the closing of the Acquisition and, if certain conditions are met, an additional fifth year following the closing of the Acquisition. A maximum of \$40 million in contingent payments in respect of such annual revenues (as calculated under the Purchase Agreement) is achievable over such four-year period or, if applicable, such five-year period. Such contingent payments will be made in a combination of 80% cash and 20% shares of Common Stock. Any shares of Common Stock issued in connection with any such contingent payments will be valued based on the 30-trading day volume-weighted average price per share as of the day immediately prior to the date on which such shares are to be issued.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which was previously filed as Exhibit 2.1 to the Form 8-K filed on November 21, 2018 and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

In connection with the closing of the Acquisition and in accordance with the Purchase Agreement, an aggregate amount of 1,033,349.62 shares of Common Stock were issued to the Sellers, such amount constituting partial consideration for the Acquisition. As described in Item

2.01 above, shares of Common Stock will also be issued in connection with the contingent payments to the extent payable in accordance with the Purchase Agreement. Such shares of Common Stock were, or will be, as applicable, issued pursuant to the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), provided by Regulation D promulgated under the Securities Act.

Item 8.01. Other Events.
