**Cowen Inc.**  
**Notes to Unaudited Pro Forma Condensed Combined Statement of Operations**

**1. Description of the acquisition**

On April 2, 2017, the Company, through its wholly owned subsidiary Cowen CV Acquisition LLC, entered into a securities purchase agreement with, among others, Convergenx Holdings LLC to acquire all the outstanding interests in Convergenx Group, LLC ("Convergenx Group") (subsequently renamed to Cowen Execution Holdco LLC), a provider of agency based execution services and trading technology to middle market institutional investors and broker-dealers (the "Acquisition"). Convergenx Group's operations were primarily conducted through two U.S. Securities Exchange Commission ("SEC") registered broker-dealers, Convergenx Execution Services LLC (subsequently renamed to Cowen Execution Services LLC) ("Cowen Execution") and Westminster Research Associates LLC ("Westminster Research") and also Convergenx Limited (subsequently renamed to Cowen Execution Services Limited) ("Cowen Execution Ltd"), which is based in the United Kingdom and regulated by the Financial Conduct Authority ("FCA"). The purchase price was paid approximately 50% in cash and 50% in Cowen Inc. Class A common stock.

The acquisition was consummated effective as of June 1, 2017. The adjusted aggregate estimated purchase price was \$96.2 million, which was determined based on closing date tangible book value of Convergenx Group, less certain closing adjustments. A portion of the preliminary purchase price was deposited into escrow as a reserve for any future claims against the sellers of Convergenx Group. On closing, the Company paid cash of \$48.6 million and issued 3,162,278 of the Company's Class A common stock determined based on the 30-day volume-weighted average price per share of \$15.05 as of May 30, 2017.

**2. Basis of Presentation**

The unaudited pro forma condensed combined statement of operations was prepared using the acquisition method of accounting in accordance with generally accepted accounting principles in the United States ("GAAP") and was derived based on the historical financial statements of the Company and the financial statements of Convergenx Group after giving effect to the Acquisition and after applying the reclassifications and adjustments described in the accompanying notes to the unaudited pro forma condensed combined statement of operations. The unaudited pro forma condensed combined statement of operations for the nine months ended September 30, 2017 is presented as if the acquisition of Convergenx had occurred on January 1, 2017, the first day of the period presented.

The unaudited pro forma condensed combined statement of operations is presented for information purposes only and is not intended to reflect the results of operations of the combined company that would have resulted had the Acquisition been effective during the period presented or the results that may be obtained by the combined company in the future.

Additionally, the unaudited pro forma condensed combined statement of operations should be read in conjunction with the Company's historical consolidated financial statements and accompanying notes in the Company's quarterly report on Form 10-Q for the nine months ended September 30, 2017.

**3. Net Assets Acquired**

The Company is currently in the process of finalizing its purchase price allocation of Convergenx Group; therefore, the purchase price adjustments and allocation of the purchase price to the net assets acquired, as filed in our Quarterly Report on Form 10-Q for the period ended September 30, 2017, are preliminary and subject to measurement period adjustments and will be finalized as necessary, up to one year after the acquisition's closing date, as the information becomes available. The adjusted aggregate estimated purchase price was \$96.2 million, which was determined based on closing date tangible book value of Convergenx Group, less certain closing adjustments. A portion of the preliminary purchase price was deposited into escrow as a reserve for any future claims against the sellers of Convergenx Group. On closing, the Company paid cash of \$48.6 million and issued 3,162,278 of the Company's Class A common stock determined based on the 30-day volume-weighted average price per share of \$15.05 as of May 30, 2017.

**4. Pro Forma Adjustments and Assumptions**

***The following is a summary of pro forma adjustments reflected in the Unaudited Pro Forma Condensed Combined Statement of Operations for the nine month period ended September 30, 2017.***

(a) Reflects an acceleration of vested deferred compensation expense, pre-acquisition severance, and other compensation issued to certain Convergenx Group employees.

(b) Represents the elimination of nonrecurring charges included in the Company's historical results of operations which resulted directly from the acquisition. These amounts primarily related to legal, professional and other fees.

(c) Reflects the adjustment to amortization, over the remaining lease term of 25 months using the straight line method, of the fair value of lease obligation related to Convergenx Group's real estate leases that were at higher than market rates at the closing date.

(d) Reflects the reduction in depreciation and amortization expense, using the straight line method, related to the fair value of fixed and intangible assets recognized in connection with the acquisition. The estimated useful lives of the fixed assets range from 2 to 5 years. The estimated useful lives of the intangible assets range from 6 months to 9 years.

(e) Reflects the exclusion of the bargain purchase gain and restructuring costs which are non recurring charges or credits.

(f) Represents the tax impact of the Pro Forma Adjustments which was primarily offset by a valuation allowance adjustment that was determined based on Cowen's and Convergenx Group's historical valuation allowance positions.

(g) As the unaudited pro forma condensed combined statement of operations assume that the acquisition occurred as of the beginning of the period presented, all 3,162,278 shares of Cowen Class A common stock that were issued to the sellers of Convergenx Group are assumed to be outstanding for the entire period for the unaudited pro forma net loss per share calculation of the combined company. An adjustment has been made to the weighted average shares outstanding since, due to the pro forma combined losses, the outstanding restricted stock and stock options would be anti-dilutive.

(h) Subsequent to the acquisition, certain of Convergenx Group's businesses were integrated within the broker-dealer businesses of the Company and therefore are reflected in the Cowen Inc. column for the nine months ended September 30, 2017.
