ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Transaction Agreement and Agreement and Plan of Merger

On June 3, 2009, Cowen Group, Inc., which we refer to as the Company, LexingtonPark Parent Corp., which we refer to as New Parent, Lexington Merger Corp., which we refer to as Merger Sub, Park Exchange LLC, which we refer to as Exchange Sub, and Ramius LLC, which we refer to as Ramius, signed a Transaction Agreement and Agreement and Plan of Merger, which we refer to as the Transaction Agreement.

Under the terms of and subject to the conditions contained in the Transaction Agreement, the Company and Ramius have jointly formed and own New Parent, which will become the parent of both the Company and Exchange Sub; Merger Sub will merge into the Company (we refer to this as the Merger), with the Company being the surviving corporation and a direct wholly-owned subsidiary of New Parent; and Exchange Sub will acquire substantially all of the assets and assume substantially all of the liabilities of Ramius (we refer to this as the Asset Exchange, and we refer to both the Asset Exchange and the Merger together as the Transactions). After the Transactions are completed, New Parent will change its name to Cowen Group, Inc. The Board of Directors of the Company has unanimously approved the Transactions, and Ramius has entered into voting agreements with certain Company stockholders that require those stockholders to vote their shares in favor of the Transactions.

When the Transactions are consummated, Ramius will receive 37,536,826 shares of New Parent Class A Common Stock, as total consideration for the Asset Exchange. Each share of Company Common Stock issued and outstanding immediately prior to the consummation of the Transactions will be converted into a right to receive one share of New Parent Class A Common Stock. In connection with the Transactions, New Parent will also purchase from

an affiliate of a third party investor in Ramius the fifty percent interest in the Ramius Fund of Funds business not currently owned by Ramius, in exchange for 2,713,882 shares of New Parent Class A Common Stock and approximately \$10.3 million of additional consideration, which may be paid either in debt or in cash as provided in the agreement between the parties, which we refer to as the FOF Asset Exchange Agreement. The FOF Asset Exchange Agreement is attached as Exhibit 10.1.

Mr. Peter A. Cohen will serve as Chairman and Chief Executive Officer of New Parent and Mr. John E. Toffolon, Jr. will serve as Lead Director of the Board of Directors of New Parent. New Parent will have a board with ten directors: four directors will be designated by the Company, five directors will be designated by Ramius, and one director will be designated by a third party investor in Ramius.

The Transaction Agreement contains customary representations and warranties of the Company and Ramius and agreements of the Company and Ramius to conduct their businesses in the ordinary course and to not engage in certain transactions until the Transactions are completed. The Transaction Agreement also includes an agreement that the Company and Ramius will not solicit proposals for alternative business combination transactions, or enter into discussions or agreements or provide confidential information relating to alternative business combination transactions (subject to exceptions with respect to the Company).

The Company and Ramius will not close the Transactions unless the stockholders of the Company approve the Transactions. In addition, the Company and Ramius will not close the Transactions unless each of the following other closing conditions are satisfied or waived:

- the SEC has declared New Parent's registration statement relating to the New Parent Class A Common Stock to be effective;
- NASDAQ has approved the listing of the New Parent Class A Common Stock shares;
- the parties have received necessary regulatory approvals or applicable waiting periods have expired;
- each parties' representations and warranties are accurate subject to the materiality standard in the Transaction Agreement and each party has complied in all material respects with their obligations under the Transaction Agreement;
- there are no any injunctions or laws which make the consummation of the Transactions illegal;
- the parties have satisfied the closing conditions in the FOF Asset Exchange Agreement;

2

-
- New Parent has executed a registration rights agreement granting registration rights to Ramius, a third-party investor in Ramius, and affiliates of the third-party investor; and
 - the Company has received a favorable tax opinion from its legal counsel.

The Company and Ramius can terminate the Transaction Agreement by mutual agreement, or if:

- there has been a final, non-appealable denial of required regulatory approvals;
- the parties have failed to consummate the Transactions by December 31, 2009;
- there has been an uncured breach of the Transaction Agreement by the other party; or
- the Company's stockholders do not approve the Transactions.

In addition, Ramius also has the right to terminate the Transaction Agreement if:

- the Board of Directors of the Company does not recommend the approval and adoption of the Transaction Agreement to its stockholders, or if the Board changes its recommendation;
- the Company doesn't call a stockholders' meeting to vote on the Transactions; or
- the Company violates the provisions of the Transaction Agreement which prevent soliciting, discussing, or agreeing to an alternative business combination transaction.

Under qualifying terminations, the Company is required to pay Ramius a termination fee of \$3,500,000 and/or Ramius's expenses up to \$750,000.

The foregoing description of the terms of the Transaction Agreement is not complete and is qualified in its entirety by reference to the Transaction Agreement, a copy of which is attached as Exhibit 2.1 hereto and incorporated herein by reference.

The representations and warranties of each party set forth in the Transaction Agreement have been made solely for the benefit of the other parties to the Transaction Agreement. In addition, such representations and warranties (i) have been qualified by confidential disclosures made to the other parties in connection with the Transaction Agreement; (ii) will not survive consummation of the Transactions other than the agreement to take any necessary post-closing actions; (iii) are generally subject to a material adverse effect standard, as defined in the Transaction Agreement, which may differ from what may be viewed as material by investors; and (iv) may have been included in the Transaction Agreement for the purpose of allocating risk between the parties rather than establishing matters as facts. Accordingly, the Transaction Agreement is included with this filing only to provide investors with information regarding the terms of the Transaction Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. The Transaction Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the companies and the Transactions that will be contained in, or incorporated by reference into, the proxy statement/prospectus that the Company will be filing in connection with the Transactions, as well as in the Forms 10-K, Forms 10-Q and other filings that the Company may make with the SEC.

(b) Each certificate representing shares of Cowen Common Stock prior to the Effective Time (a “Cowen Certificate”) (and each uncertificated share of Cowen Common Stock in book-entry form, if any, prior to the Effective Time) shall be deemed to represent an equivalent number of shares of New Parent Class A Common Stock without any action on the part of the holder thereof, provided, however, that if an exchange of Cowen Certificates for new certificates is required by Law or applicable rule or regulation, or is requested by any holder

6

thereof, the parties will cause New Parent to arrange for such exchange on a one-share-for-one-share basis.

3.2 No Further Ownership Rights in Cowen Common Stock. All shares of New Parent Class A Common Stock issued upon conversion of the Cowen Common Stock in accordance with the terms of this Article III shall be deemed to have been issued or paid in full satisfaction of all rights pertaining to the shares of Cowen Common Stock.

3.3 Lost Certificates. If any Cowen Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Cowen Certificate to be lost, stolen or destroyed and, if required by New Parent, the posting by such Person of a bond in such reasonable amount as New Parent may direct as indemnity against any claim that may be made against it with respect to such Cowen Certificate, New Parent will deliver in exchange for such lost, stolen or destroyed Cowen Certificate, the Cowen Merger Consideration with respect to the Cowen Common Stock formerly represented thereby, and unpaid dividends and distributions on shares of New Parent Class A Common Stock deliverable in respect thereof, pursuant to this Agreement.

3.4 Withholding Rights. New Parent shall be entitled to deduct and withhold from the Cowen Merger Consideration otherwise payable pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign Tax Law. To the extent that amounts are so withheld or paid over to or deposited with the relevant Governmental Entity by New Parent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by New Parent.

3.5 Stock Transfer Books. The stock transfer books of Cowen shall be closed immediately upon the Effective Time, and there shall be no further registration of transfers of shares of Cowen Common Stock thereafter on the records of Cowen. On or after the Effective Time, any Cowen Certificates presented to New Parent, the Cowen Surviving Corporation for any reason shall be converted into the right to receive the Cowen Merger Consideration with respect to the shares of Cowen Common Stock formerly represented thereby.

REPRESENTATIONS AND WARRANTIES OF COWEN

Except (i) as disclosed in any report, schedule, form or other document filed with, or furnished to, the SEC by Cowen and publicly available prior to the date of this Agreement (excluding, in each case, any disclosures set forth in any risk factor section and in any section relating to forward-looking statements to the extent that they are cautionary, predictive or forward-looking in nature), or (ii) as disclosed in the disclosure schedule provided by Cowen (the "Cowen Disclosure Schedule") delivered by Cowen to Ramius prior to the execution of this Agreement, Cowen hereby represents and warrants to Ramius as follows:

7

Cowen has the requisite corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted, and is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary. True, complete and correct copies of the Restated Certificate of Incorporation of Cowen (the "Cowen Charter"), and the Amended and Restated By-Laws of Cowen (the "Cowen By-Laws"), as in effect as of the date of this Agreement, have previously been made available to Ramius.

(c) The minute books of Cowen previously made available to Ramius contain true, complete and correct records of all meetings and other corporate actions held or taken since July 12, 2006 of its stockholders and Board of Directors and each committee of its Board of Directors.

(a) The authorized capital stock of Cowen consists of 100,000,000 shares of common stock, par value \$0.01 per share (the "Cowen Common Stock"), of which, as of June 1, 2009 (the "Cowen Capitalization Date"), 15,092,088 shares were issued and outstanding, and 10,000,000 shares of preferred stock, par value \$0.01 per share (the "Cowen Preferred Stock"), of which, as of the Cowen Capitalization Date, no shares were issued and outstanding. As of the date of this Agreement, no bonds, debentures, notes or other indebtedness having the right to vote on any matters on which shareholders of Cowen may vote ("Voting Debt") are issued or outstanding. As of the date of this Agreement, except pursuant to this Agreement, and other than as set forth in Section 4.2(a) of the Cowen Disclosure Schedule, Cowen does not have and is not bound by any outstanding subscriptions, options, warrants, calls, rights, commitments or agreements of any character calling for the purchase or issuance of, or the payment of any

8

amount based on, any shares of Cowen Common Stock, Cowen Preferred Stock, Voting Debt or any other equity securities of Cowen or any securities representing the right to purchase or otherwise receive any shares of Cowen Common Stock, Cowen Preferred Stock, Voting Debt or other equity securities of Cowen. As of the date of this Agreement, except pursuant to this Agreement or pursuant to the Cowen Benefit Plans and Cowen Stock Plans, and other than as set forth in Section 4.2(a) of the Cowen Disclosure Schedule, there are no contractual obligations of Cowen or any of its Subsidiaries (I) to repurchase, redeem or otherwise acquire any shares of capital stock of Cowen or any equity security of Cowen or its Subsidiaries or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of Cowen or its Subsidiaries or (II) pursuant to which Cowen or any of its Subsidiaries is or could be required to register shares of Cowen capital stock or other securities under the Securities Act.

(b) Cowen has provided Ramius with a true, complete and correct list of the aggregate number of shares of Cowen Common Stock subject to Cowen Stock Options, Cowen Restricted Shares and Cowen RSUs that were outstanding as of the Cowen Capitalization Date, the names of the holders and the weighted average exercise price for the Cowen Stock Options. Other than the Cowen Stock Options, Cowen Restricted Shares and Cowen RSUs that are outstanding as of the Cowen Capitalization Date, no other subscriptions, options, warrants, calls, rights, commitments or agreements of character calling for the purchase or issuance of, or the payment of any amount based on, any shares of Cowen Common Stock, Cowen Preferred Stock, Voting Debt or other equity securities of Cowen are outstanding as of the Cowen Capitalization Date. Since the Cowen Capitalization Date through the date hereof, Cowen has not (i) issued or repurchased any shares of Cowen Common Stock, Cowen Preferred Stock, Voting Debt or other equity securities of Cowen, other than the issuance of shares of Cowen Common Stock in connection with the exercise of Cowen Stock Options or settlement of the Cowen RSUs granted under the Cowen Stock Plans that were outstanding on the Cowen Capitalization Date or (ii) issued or awarded any options, stock appreciation rights, restricted shares, restricted stock units, deferred equity units, awards based on the value of Cowen capital stock or any other equity-based awards under any of the Cowen Stock Plans.

(c) All of the issued and outstanding shares of capital stock or other equity ownership interests of each Subsidiary of Cowen are owned by Cowen, directly or indirectly, free and clear of any Liens, and all of such shares or equity ownership interests are duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights. No Subsidiary of Cowen has or is bound by any outstanding subscriptions, options, warrants, calls, commitments or agreements of any character calling for the purchase or issuance of any shares of capital stock or any other equity security of such Subsidiary or any securities representing the right to purchase or otherwise receive any shares of capital stock or any other equity security of such Subsidiary. Except as

set forth in Section 4.2(a) of the Cowen Disclosure Schedule, Cowen does not have any Subsidiaries and does not own any capital stock or other equity or voting securities or other rights convertible or exchangeable into or exercisable for equity or voting securities, or any other rights, in any other Person.

4.3 Authority; No Violation. (a) Cowen has full corporate power and authority to execute and deliver this Agreement and the Registration Rights Agreement and to consummate the transactions contemplated hereby and thereby. The execution and delivery of this Agreement

9

and the Registration Rights Agreement and the consummation of the transactions contemplated hereby and thereby have been duly and validly approved by the Board of Directors of Cowen. The Board of Directors of Cowen has determined that this Agreement is advisable and in the best interests of Cowen and its stockholders and has directed that this Agreement be submitted to Cowen's stockholders for approval and adoption at a duly held meeting of such stockholders and has adopted a resolution to the foregoing effect. Except for the approval and adoption of this Agreement by the affirmative vote of the holders of a majority of the outstanding shares of Cowen Common Stock entitled to vote at such meeting, no other corporate proceedings on the part of Cowen are necessary to approve this Agreement or to consummate the transactions contemplated hereby. Each of this Agreement and the Registration Rights Agreement has been duly and validly executed and delivered by Cowen and (assuming, with respect to this Agreement, due authorization, execution and delivery by Ramius, New Parent, Merger Sub and Exchange Sub) constitutes the valid and binding obligations of Cowen, enforceable against Cowen in accordance with its terms (except as may be limited by bankruptcy, insolvency, fraudulent transfer, moratorium, reorganization or similar Laws of general applicability relating to or affecting the rights of creditors generally and subject to general principles of equity (the "Bankruptcy and Equity Exception")).

(b) Neither the execution and delivery of this Agreement by Cowen, nor the consummation by Cowen of the transactions contemplated hereby, nor compliance by Cowen with any of the terms or provisions of this Agreement, will conflict with, or result in any violation of or default (without notice or lapse of time or both) under, or give rise to a right of termination, cancellation, acceleration of any obligation or to loss of a material benefit under, or give rise to any obligation of Cowen, any of its Subsidiaries or CHRP to make any payment under, or to the increased, additional, accelerated or guarantees rights or entitlements of any Person under, or result in the creation of any Liens upon any of the properties or assets of Cowen or its Subsidiaries under, any provisions of (i) Cowen Charter or Cowen By-Laws; (ii) any Contract or material Permit to which Cowen, any of its Subsidiaries or CHRP is a party; (iii) any judgment, order, injunction or decree of any Governmental Entity applicable to Cowen, any of its Subsidiaries or CHRP or any of their respective properties or assets; or (iv) any applicable Law, except in the case of clauses (ii), (iii) or (iv) for violations, defaults, rights or losses that would not reasonably be expected to have a Material Adverse Effect on Cowen.

(c) Cowen hereby acknowledges that each of the representations and warranties of New Parent contained in Article V of the FoF Asset Exchange Agreement are true and correct.

4.4 Consents and Approvals. Except for (i) filings of applications and notices with, and receipt of consents, authorizations, approvals, exemptions or nonobjections from, the SEC, non-U.S. and state securities authorities, FINRA, the United Kingdom Financial Services Authority (the "FSA"), the Securities and Futures Commission of Hong Kong and other SROs, (ii) the filing of a notification and report form under the HSR Act and the termination or expiration of applicable waiting periods under the HSR Act, (iii) the filing with the SEC of the proxy statement in a definitive form relating to the meeting of Cowen's stockholders to be held in connection with this Agreement and the transactions contemplated by this Agreement (the "Proxy Statement") and of a registration statement on Form S-4 (the "Form S-4") in which the Proxy Statement will be included as a prospectus, and declaration of effectiveness of the Form S-4, (iv) the filing of the Certificate of Merger pursuant to the DGCL, (v) any consents,

10

authorizations, approvals, filings or exemptions in connection with compliance with the rules of the NASDAQ, (vi) such filings and approvals as are required to be made or obtained under the Securities Laws in connection with the issuance of the shares of New Parent Class A Common Stock pursuant to this Agreement and (vii) such other consents, approvals, filings and registrations the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect on Cowen, no consents or approvals of or filings or registrations with or notice to any Regulatory Agency or Governmental Entity or any other Person are necessary in connection with (A) the execution and delivery by Cowen of this Agreement and (B) the consummation by Cowen of the transactions contemplated by this Agreement.

4.5 SEC Reports. Cowen has previously made available to Ramius an accurate and complete copy of each final registration statement, prospectus, report, schedule and definitive proxy statement filed with or furnished to the SEC by Cowen or any of its Subsidiaries pursuant to the Securities Act or the Exchange Act on or after July 12, 2006 (the "Cowen SEC Reports"). No such Cowen SEC Report, at the time filed or furnished (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances in which they were made, not misleading, except that information as of a later date (but before the date of this Agreement) shall be deemed to modify information as of an earlier date. As of their respective dates, all Cowen SEC Reports complied as to form in all material respects with the published rules and regulations of the SEC with respect thereto. No executive officer of Cowen has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act.

4.6 Financial Statements.

(a) The financial statements of Cowen and its Subsidiaries included (or incorporated by reference) in the Cowen SEC Reports (including the related notes, where applicable) (i) have been prepared from, and are in accordance with, the books and records of Cowen and its Subsidiaries, (ii) fairly present in all material respects the consolidated results of operations, cash flows, changes in stockholders' equity and consolidated financial position of Cowen and its Subsidiaries for the respective fiscal periods or as of the respective dates therein set forth (subject in the case of unaudited statements to recurring year-end audit adjustments normal in nature and amount), (iii) complied as to form, as of their respective dates of filing with the SEC, in all material respects with applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto, and (iv) have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP") consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto. The books and records of Cowen and its Subsidiaries have been, and are being, maintained in all material respects in accordance with GAAP and any other applicable legal and accounting requirements.

(b) Neither Cowen nor any of its Subsidiaries has any material liability or obligation of any nature whatsoever (whether absolute, accrued, contingent, determined, determinable or otherwise and whether due or to become due) except for (i) those liabilities that are reflected or reserved against on the consolidated balance sheet of Cowen included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2008 (including any notes thereto) and (ii)

liabilities incurred in the Ordinary Course of Business since December 31, 2008 or in connection with this Agreement and the transactions contemplated hereby.

(c) The records, systems, controls, data and information of Cowen and its Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of Cowen or its Subsidiaries or accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a Material Adverse Effect on the system of internal accounting controls described below in this Section 4.6(c). Cowen (x) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to Cowen, including its consolidated Subsidiaries, is made known to the chief executive officer and the chief financial officer of Cowen by others within those entities, and (y) has disclosed, based on its most recent evaluation prior to the date hereof, to Cowen's outside auditors and the audit committee of Cowen's Board of Directors (i) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect Cowen's ability to record, process, summarize and report financial information and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in Cowen's internal controls over financial reporting. Each of these disclosures were made in writing by management to Cowen's auditors and audit committee, a copy of which has previously been made available to Ramius. As of the date hereof, there is no reason to believe that Cowen's outside auditors, chief executive officer and chief financial officer will not be able to give the certifications and attestations required pursuant to the rules and regulations adopted pursuant to Section 404 of the Sarbanes-Oxley Act, without qualification, when next due.

(d) Since December 31, 2008, neither Cowen nor any of its Subsidiaries nor, to the knowledge of Cowen, any director, officer, employee, auditor, accountant or representative of Cowen or any of its Subsidiaries has received or otherwise had or obtained knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of Cowen or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that Cowen or any of its Subsidiaries has engaged in questionable accounting or auditing practices.

4.7 Broker's Fees. Neither Cowen nor any of its Subsidiaries nor any of their respective officers, directors, employees or agents has utilized any broker, finder or financial advisor or incurred any liability for any broker's fees, commissions or finder's fees in connection with the Transactions or any other transactions contemplated by this Agreement, other than Sandler O'Neill & Partners, and pursuant to a letter agreement, true, complete and correct copies of which have been previously delivered to Ramius.

4.8 Absence of Certain Changes or Events. (a) Since December 31, 2008, no event or events have occurred that have had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on Cowen.

(b) Since December 31, 2008 through and including the date of this Agreement, except as set forth on Section 4.8(b) of the Cowen Disclosure Schedule, Cowen and its Subsidiaries have carried on their respective businesses in all material respects in the Ordinary Course of Business and none of Cowen or any Subsidiary has taken any action that, if taken after the date of this Agreement, would constitute a breach of any of the covenants set forth in Section 6.2(e) or Section 6.2(i).

4.9 Legal Proceedings.

(a) Except as set forth on Section 4.9 of the Cowen Disclosure Schedule and except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Cowen, neither Cowen, any of its Subsidiaries nor CHRP is a party to any, and there are no pending or, to Cowen's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions, suits or governmental or regulatory investigations of any nature by or against Cowen, any of its Subsidiaries or CHRP or, to the knowledge of Cowen, any of its or its Subsidiaries' or CHRP's key employees with respect to its business, or to which any of their assets are subject.

(b) There is no judgment, settlement agreement, order, injunction, decree or regulatory restriction imposed upon Cowen, any of its Subsidiaries or CHRP or the assets of Cowen or any of its Subsidiaries or CHRP (or that, upon consummation of the Transactions, would apply to Ramius or any of its Subsidiaries).

4.10 Taxes and Tax Returns. Each of Cowen and its Subsidiaries has (i) duly and timely filed (including all applicable extensions) all federal income Tax Returns and other material Tax Returns required to be filed by it (all such Tax Returns being accurate and complete in all material respects) and (ii) has paid all Taxes due and owing by Cowen or any of its Subsidiaries (whether or not shown on any Tax Return). Neither Cowen nor any of its Subsidiaries currently is the beneficiary of any extension of time within which to file any material Tax Return. None of the federal, state and local income Tax Returns for periods beginning after July 12, 2006 of Cowen and its Subsidiaries have been examined by the IRS or other relevant taxing authority. No written claim has ever been made by an authority in a jurisdiction where Cowen or any of its Subsidiaries does not file Tax Returns that Cowen or any of its Subsidiaries is or may be subject to taxation by that jurisdiction. There are no material Liens for Taxes (other than Taxes not yet due and payable) upon any of the assets of Cowen or any of its Subsidiaries. Each of Cowen and its Subsidiaries have withheld and paid all material Taxes required to have been withheld and paid in connection with any amounts paid or owing to any employee, independent contractor, creditor, stockholder, or other third party. Neither Cowen nor any of its Subsidiaries has received from any foreign, federal, state, or local taxing authority (including jurisdictions where Cowen or its Subsidiaries have not filed Tax Returns) any (i) notice indicating an intent to open an audit or other review, (ii) request for information related to Tax matters, or (iii) notice of deficiency or proposed adjustment for any amount of Tax proposed, asserted, or assessed by any taxing authority against Cowen or any of its Subsidiaries. Neither Cowen nor any of its Subsidiaries has waived any statute of limitations in respect of material Taxes or agreed to any extension of time

which is Cowen) or (B) has any liability for a material amount of Taxes of any person (other than Cowen and any of its Subsidiaries) under Regulation Section 1.1502-6 (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract, or otherwise. Any material liabilities for Taxes not yet due and payable, or which are being contested in good faith by appropriate proceedings, with respect to Cowen and any of its Subsidiaries (A) did not, as of December 31, 2008, exceed the reserve and provision for Tax liabilities set forth on the face of the consolidated balance sheet of Cowen included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2008 and (B) do not exceed that reserve and provision as adjusted for Tax liabilities incurred in the Ordinary Course of Business through the Closing Date. Neither Cowen nor any of its Subsidiaries has a permanent establishment outside of the national jurisdiction in which it was formed. Except as set forth in Section 4.10 of the Cowen Disclosure Schedule, each Subsidiary of Cowen has since the date of its formation been properly classified for U.S. Federal income tax purposes as either a partnership or disregarded entity and not as an association taxable as a corporation, or a “publicly traded partnership” within the meaning of Section 7704(b) of the Code that is treated as a corporation for U.S. federal income tax purposes under Section 7704(a) of the Code, and neither Cowen nor any of its Subsidiaries has taken a position inconsistent with such treatment with regard to any Tax. There are no material disputes pending, or written claims asserted, for Taxes or assessments upon Cowen or any of its Subsidiaries for which Cowen does not have reserves that are adequate under GAAP. Neither Cowen nor any of its Subsidiaries is a party to or is bound by any Tax sharing agreement or arrangement (other than such an agreement or arrangement exclusively between or among Cowen and its Subsidiaries). Within the past two (2) years (or otherwise as part of a “plan (or series of related transactions)” within the meaning of Section 355(e) of the Code of which the Transactions are also a part), neither Cowen nor any of its Subsidiaries has been a “distributing corporation” or a “controlled corporation” in a distribution intended to qualify under Section 355(a) of the Code. Neither Cowen nor any of its Subsidiaries has participated in a “listed transaction” within the meaning of Treasury Regulation Section 1.6011-4(b)(2) subsequent to such transaction becoming listed. The parties agree and acknowledge that the foregoing representations and warranties shall not apply with respect to any Tax Returns or Taxes that are the responsibility of SG Americas, Inc. (“SGAI”) pursuant to the Tax Matters Agreement, dated as of July 12, 2006 among SGAI, SG Americas Securities Holdings, Inc., Cowen and Company LLC, and Cowen.

4.11 Employee Matters.

(a) Section 4.11(a) of the Cowen Disclosure Schedule sets forth a true, complete and correct list of each material “employee benefit plan” as defined in Section 3(3) of ERISA, whether or not subject to ERISA, and each material employment, consulting, bonus, incentive or deferred compensation, vacation, stock option or other equity-based, severance, termination, retention, change of control, profit-sharing, fringe benefit or other similar plan, program, agreement or commitment, whether written or unwritten, for the benefit of any employee, former employee, director or former director of Cowen or any of its Subsidiaries entered into, maintained or contributed to by Cowen or any of its Subsidiaries or to which Cowen or any of its Subsidiaries is obligated to contribute, or with respect to which Cowen or any of its Subsidiaries has any liability, direct or indirect, contingent or otherwise (including any liability arising out of an indemnification, guarantee, hold harmless or similar agreement) or otherwise providing benefits to any current, former or future employee, officer or director of Cowen or any of its

Subsidiaries or to any beneficiary or dependent thereof (such plans, programs, agreements and commitments, herein referred to as the “Cowen Benefit Plans”).

(b) With respect to each Cowen Benefit Plan, Cowen has delivered or made available to Ramius a true, correct and complete copy of: (i) each writing constituting a part of such Plan; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedule, if any; (iii) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (iv) the most recent annual financial report, if any; (v) the most recent actuarial report, if any; and (vi) the most recent determination letter from the IRS, if any.

(c) Each Cowen Benefit Plan intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter from the IRS, or has pending an application for such determination from the IRS with respect to those provisions for which the remedial amendment period under Section 401(b) of the Code has not expired, and, to the knowledge of Cowen, there is not any reason why any such determination letter should be revoked. Each of the Cowen Benefit Plans has been operated and administered in accordance with applicable Law, including, but not limited to, ERISA, the Code and in each case the regulations thereunder.

(d) No Cowen Benefit Plan provides benefits, including, without limitation, death or medical benefits (whether or not insured), with respect to current or former employees or directors of Cowen or any of its Subsidiaries beyond their retirement or other termination of service, other than (1) coverage mandated by applicable Law or (2) death benefits or retirement benefits under any “employee pension plan” (as such term is defined in Section 3(2) of ERISA). Except as could not be reasonably expected to result in a material liability to Cowen or any of its Subsidiaries, neither Cowen nor any of its Subsidiaries has engaged in a transaction in connection with which Cowen or any of its Subsidiaries reasonably could be subject to either a civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a tax imposed pursuant to Section 4975 or 4976 of the Code. Except as could not be reasonably expected to result in a material liability to Cowen or any of its Subsidiaries, no Controlled Group Liability has been incurred by Cowen, any of its Subsidiaries or any of their respective ERISA Affiliates that has not been satisfied in full, and, to the knowledge of Cowen, no condition exists that presents a risk to Cowen, any of its Subsidiaries or any of their respective ERISA Affiliates of incurring any such liability. Except as could not be reasonably expected to result in a material liability to Cowen or any of its Subsidiaries, all contributions required to be made to any Cowen Benefit Plan by applicable Law or by any plan document or other contractual undertaking, and all premiums due or payable with respect to insurance policies funding any Cowen Benefit Plan, for any period through the date hereof have been timely made or paid in full or, to the extent not required to be made or paid on or before the date hereof have been fully accrued in accordance with generally accepted accounting principles.

(e) No Cowen Benefit Plan is subject to Title IV of ERISA or Section 302 of ERISA or Section 412 or 4971 of the Code. Neither Cowen, any of its Subsidiaries nor any of their respective ERISA Affiliates contributes (or has contributed in the six (6) years prior to the date hereof) to a “multiemployer pension plan” (as such term is defined in Section 3(37) of ERISA)

or a plan that has two or more contributing sponsors at least two of whom are not under common control, within the meaning of Section 4063 of ERISA.

(f) There are no pending, threatened or anticipated claims (other than routine claims for benefits) by, on behalf of or against any of the Cowen Benefit Plans or any trusts related thereto or fiduciaries thereof which could reasonably be expected to result in a material liability of Cowen or any of its Subsidiaries.

(g) Neither the execution or delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in conjunction with any other event, (i) result in any material payment or benefit becoming due or payable, or required to be provided, to any director, employee or independent contractor of Cowen or any of its Subsidiaries or to such individuals in the aggregate, (ii) materially increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such director, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting or funding of any such benefit or compensation, (iv) result in any material limitation on the right of Cowen or any of its Subsidiaries to amend, merge or, terminate any Cowen Benefit Plan or related trust or (v) fail to be deductible by reason of Section 280G of the Code.

(h) All Cowen Benefit Plans subject to the laws of any jurisdiction outside of the United States (i) have been maintained in accordance with all applicable requirements, (ii) if they are intended to qualify for special tax treatment meet all requirements for such treatment, and (iii) if they are intended to be funded and/or book-reserved are fully funded and/or book reserved, as appropriate, based upon reasonable actuarial assumptions.

(i) No labor organization or group of employees of Cowen or any of its Subsidiaries has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or threatened to be brought or filed, with the National Labor Relations Board or any other labor relations tribunal or authority. There are no organizing activities, strikes, work stoppages, slowdowns, lockouts, material arbitrations or material grievances, or other material labor disputes pending or threatened against or involving Cowen or any of its Subsidiaries. Except as could not be reasonably expected to result in a material liability to Cowen or any of its Subsidiaries, each of the Cowen and its Subsidiaries is in compliance in all material respects with all applicable Laws and collective bargaining agreements respecting employment and employment practices, terms and conditions of employment, wages and hours and occupational safety and health.

(j) Each Cowen Benefit Plan that is a “nonqualified deferred compensation plan” within the meaning of Section 409A(d)(1) of the Code and any award thereunder, in each case that is subject to Section 409A of the Code, has been operated in compliance in all material respects with Section 409A of the Code since July 12, 2006, based upon a good faith, reasonable interpretation of (A) Section 409A of the Code and (B)(1) the proposed and final Treasury Regulations issued thereunder, where applicable, and (2) Internal Revenue Service Notice 2005-1, all subsequent Internal Revenue Service Notices, and other interim guidance on Section 409A of the Code, where applicable.

16

(k) All grants of Cowen Stock Options, Cowen Restricted Shares and Cowen RSUs and any other grants of stock options or other equity interests were validly issued and properly approved by the Cowen Board of Directors or a committee thereof (and all required approvals, if any, by the stockholders of Cowen have been obtained) in accordance with all applicable Law and, to the knowledge of Cowen, no such grants involved any “backdating” or similar practices with respect to the effective date of grant. The per share exercise price of each Cowen Stock Option was not less than the fair market value of the Cowen Common Stock on the applicable grant date (as determined in a manner consistent with Treasury Regulation §1.409A-1(b)(5) (iv)) and each such grant was properly accounted for in all material respects in accordance with GAAP in the financial statements (including the related notes) of Cowen and disclosed in Cowen’s filings with the SEC in accordance with the Exchange Act and other applicable Securities Laws. No modifications have been made to any Cowen Stock Options after the applicable date of grant.

4.12 Certain Contracts. (a) Section 4.12(a) of the Cowen Disclosure Schedule sets forth all of the following Contracts in existence to which Cowen or its Subsidiaries is a party or by which it is bound as of the date hereof (collectively, the “Cowen Contracts”):

There are no

material disputes pending or, to Cowen's knowledge, threatened, and no material amounts due or owing remain unpaid, with respect to any Cowen Contract.

(c) True, complete and correct copies of all of the Former Parent Contracts have been delivered or made available to Ramius. Except as set forth on Section 4.12(c) of the Cowen Disclosure Schedule, there are no ongoing claims or disputes between Cowen and Former Parent under any of the Former Parent Contracts.

4.13 Property. As of the date hereof, none of Cowen or any of its Subsidiaries, owns, and has never owned, any real property. All real property leased or subleased or in which another similar occupancy interest is held by Cowen or any of its Subsidiaries, as tenant, subtenant or occupant, or which Cowen or any of its Subsidiaries have granted, as landlord or sublandlord, a leasehold, subleasehold or other similar interest, is listed in Section 4.12(a) (vii) of the Cowen Disclosure Schedule, and true and correct copies of all leases, subleases and other such agreements (including amendments, modifications and supplements thereto) have been provided to Ramius, and Cowen and its Subsidiaries, as applicable, have good and valid leasehold title to their respective leased and subleased real property, free and clear of any Liens (other than Permitted Liens).

4.14 Intellectual Property.

(a) Section 4.14(a) of the Cowen Disclosure Schedule contains all Cowen IP. Except as would not reasonably be expected to have a Material Adverse Effect on Cowen, Cowen and its Subsidiaries collectively own all right, title and interest in, or have the valid right to use, all of the Cowen IP, free and clear of any Liens, and there are no obligations to, covenants to or restrictions from third parties affecting Cowen's or its applicable Subsidiary's use, enforcement, transfer or licensing of the Owned Cowen IP.

(b) The Owned Cowen IP and Licensed Cowen IP constitute all the Intellectual Property necessary and sufficient to conduct the businesses of Cowen and its Subsidiaries as they are currently conducted, as they have been conducted since January 1, 2008.

(c) The Owned Cowen IP and, to the knowledge of Cowen, Licensed Cowen IP, are valid, subsisting and enforceable.

(d) Neither Cowen nor any of its Subsidiaries has infringed, misappropriated or otherwise violated any Intellectual Property of any third party.

(e) No Owned Cowen IP or Licensed Cowen IP is being used or enforced in a manner that would result in the abandonment, cancellation or unenforceability of such Intellectual Property. To the knowledge of Cowen, no third party has infringed, misappropriated or otherwise violated any Owned Cowen IP.

4.15 Insurance. Cowen and its Subsidiaries maintain (or Cowen maintains on behalf of its Subsidiaries) such workers' compensation, comprehensive property and casualty, liability,

errors and omissions, directors' and officers', fidelity and other insurance sufficient to operate their business as currently conducted and as they may be required to maintain under applicable Law. Cowen and its Subsidiaries have complied in all material respects with the terms and provisions of such policies and bonds.

4.16 Compliance with Laws; Permits.

(a) Each of Cowen and its Subsidiaries and CHRP has been since July 12, 2006 and is in compliance in all material respects with all Laws of any Governmental Entity and the rules and regulations of any Regulatory Agency that are applicable to its respective business, operations, or assets. Cowen and each of its Subsidiaries have timely filed all material reports (other than SEC Reports, which are covered in Section 4.5 above), registrations, statements and certifications, together with any amendments required to be made with respect thereto, that they were required to file since July 12, 2006 with Regulatory Agencies and with each other applicable Governmental Entity, and all other reports and statements required to be filed by them since July 12, 2006, including any report or statement required to be filed pursuant to the Laws, rules or regulations of the United States, any state, any non-U.S. entity, or any Regulatory Agency or other Governmental Entity, and have paid all fees and assessments due and payable in connection therewith. Except as set forth in Section 4.16(a) of the Cowen Disclosure Schedule, no Regulatory Agency or other Governmental Entity has initiated since July 12, 2006 and on or prior to the date of this Agreement or has pending as of the date of this Agreement any proceeding, enforcement action or, to the knowledge of Cowen, investigation into the business, disclosures or operations of Cowen, any of its Subsidiaries or CHRP. Except for ordinary and usual examinations conducted by a Regulatory Agency or other Governmental Entity in the Ordinary Course of Business of Cowen and its Subsidiaries that have not resulted or are not reasonably expected to result in a materially adverse finding or claim against Cowen or any of its Subsidiaries, no Regulatory Agency or other Governmental Entity has initiated since the date of this Agreement any proceeding, enforcement action or, to the knowledge of Cowen, investigation into the business, disclosures or operations of Cowen or any of its Subsidiaries. Except as set forth in Section 4.16(a) of the Cowen Disclosure Schedule, since July 12, 2006, no Regulatory Agency or other Governmental Entity has resolved any proceeding, enforcement action or, to the knowledge of Cowen, investigation into the business, disclosures or operations of Cowen, any of its Subsidiaries or CHRP. There is no unresolved, or, to Cowen's knowledge, threatened criticism, comment, exception or stop order by any Regulatory Agency or other Governmental Entity with respect to any report or statement relating to any examinations or inspections of Cowen, any of its Subsidiaries or CHRP. Except as set forth in Section 4.16(a) of the Cowen Disclosure Schedule, since July 12, 2006, there have been no formal or informal inquiries by, or disagreements or disputes with, any Regulatory Agency or other Governmental Entity with respect to the business, operations, policies or procedures of Cowen, any of its Subsidiaries or CHRP (other than normal examinations conducted by a Regulatory Agency or other Governmental Entity in Cowen's Ordinary Course of Business).

(b) Neither Cowen nor any of its Subsidiaries is subject to any cease-and-desist or other order or formal or informal enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since July 12, 2006 a recipient of

any supervisory letter from, or since July 12, 2006 has adopted any policies, procedures or board resolutions at the request or suggestion of, any Regulatory Agency or other Governmental Entity that currently restricts or affects in any material respect the conduct of its business (or to Cowen's knowledge that, upon consummation of the Transactions, would restrict in any material respect the conduct of the business of Ramius or any of its Subsidiaries), or that in any material manner relates to its risk management or compliance policies, its internal controls, its management or its business, other than those of general application that apply to similarly situated companies or their Subsidiaries (each item in this sentence, a "Cowen Regulatory Agreement"), nor has Cowen, any of its Subsidiaries been advised since July 12, 2006 by any Regulatory Agency or other Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Cowen Regulatory Agreement.

(c) Section 4.16(c) of the Cowen Disclosure Schedule contains a list of all Permits which are required for the operation of the business of Cowen and its Subsidiaries as presently conducted, other than those the failure of which to possess is not material to the operation of such business. Each of Cowen and its Subsidiaries currently has all Permits which are required for the operation of its business as presently conducted and as presently intended to be conducted, other than those the failure of which to possess is not material to the operation of such business. None of Cowen or its Subsidiaries is in default or violation, and no event has occurred which, with notice or the lapse of time or both, would constitute a default or a violation, in any material respect of term, condition or provision of any material Permit to which it is a party, to which its business is subject or by which its properties or assets are bound, and to the knowledge of Cowen, there are no facts or circumstances which could reasonably be expected to form the basis for any such default or violation. Each employee of Cowen or its Subsidiaries who is required to be registered or licensed as a registered representative, investment advisor representative, sales person or an equivalent person with any Governmental Entity or SRO is fully registered or licensed as such and such registration is in full force and effect.

(d) Cowen is not (taking into account any applicable exemption) ineligible under Section 9(a) or 9(b) of the Investment Company Act to serve in a capacity described therein. There is no proceeding or investigation pending and served on Cowen or, to the knowledge of Cowen, pending and not so served or threatened by any Governmental Entity, which would result in the ineligibility of Cowen to serve in any such capacities.

(e) Cowen is not (taking into account any applicable exemption) ineligible under Section 203(f) of the Advisers Act to serve as a "person associated" with an investment adviser. There is no proceeding or investigation pending and served on Cowen or, to the knowledge of Cowen, pending and not so served or threatened by any Governmental Entity, which would result in the ineligibility under such Section 203(f) of Cowen to serve as a "person associated" with an investment adviser.

(f) With respect to Cowen and each Subsidiary that acts as a broker or dealer within the meaning of the Exchange Act, (i) such person is not (taking into account any applicable exemption) ineligible pursuant to Section 15(b)(4) of the Exchange Act to act as a broker or dealer, (ii) no "person associated" (as defined in Section 3(a)(18) of the Exchange Act) with such person is (taking into account any applicable exemption) ineligible under Section 15(b)(6) of the Exchange Act to serve as a "person associated" with a broker or dealer and (iii) there is no

proceeding or investigation pending and served on Cowen or any Subsidiary or, to Cowen's knowledge, pending and not so served or threatened by any Governmental Entity, which would result in (A) the ineligibility under such Section 15(b)(4) of such person to act as a broker or dealer or (B) the ineligibility under such Section 15(b)(6) of such "person associated" with such person to serve as a "person associated" with a broker or dealer.

(g) None of Cowen or its Subsidiaries are (i) a commodity pool operator, futures commission merchant, commodity trading advisor, investment adviser, bank or real estate broker within the meaning of any applicable Law; (ii) required to be registered, licensed or qualified as a commodity pool operator, futures commission merchant, commodity trading advisor, investment adviser, bank or real estate broker under any applicable Law or (iii) subject to any liability or disability by reason of any failure to be so registered, licensed or qualified if required by applicable Law. Neither Cowen nor any of its Subsidiaries has received written notice of any proceeding concerning any failure to obtain any commodity pool operator, futures commission merchant, commodity trading advisor, investment adviser, bank or real estate broker registration, license or qualification.

(h) Each of Cowen and its Subsidiaries has complied in all material respects, to the extent such Laws are applicable to them, with (i) U.S. anti-money laundering and anti-terrorism financing laws and the regulations administered by the U.S. Treasury Department's Office of Foreign Assets Control, and has adequate measures in place to comply with those laws, (ii) the Foreign Corrupt Practices Act, (iii) the Trading with the Enemy Act and (iv) all comparable provisions of non-U.S. Laws.

(i) Cowen and its Subsidiaries, to the extent each is a "financial institution" (as defined in the GBA), have complied, to the extent required, with the GBA and the rules and regulations promulgated pursuant thereto, without limitation, Regulation S-P issued by the SEC and the privacy rules issued by the Federal Trade Commission (collectively, the "Privacy Rules"), and each such financial institution has provided the privacy notices, in the form and to the extent required by the GBA and the Privacy Rules, and has taken such other actions as may be required thereunder.

(j) Cowen and its Subsidiaries have appropriate policies and procedures in place with respect to information barriers between departments.

(k) Cowen does not serve as a "fiduciary" with respect to "plan assets" of any employee benefit plan subject to Title I of ERISA (other than plans maintained for employees of Cowen and its Subsidiaries); provided, that to the extent Cowen does act as a "fiduciary" with respect to "plan assets" of any employee benefit plan subject to Title I of ERISA (other than plans maintained for employees of Cowen and its subsidiaries), Cowen has complied in all material respects with the requirements of Title I of ERISA and Section 4975 of the Code.

4.17 CHRP.

(a) Cowen or its Subsidiaries has performed in all material respects all of the obligations thereof under each agreement relating to CHRP in accordance with its terms and all applicable Laws.

22

(b) CHRP is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has the requisite corporate, limited company, trust or partnership power and authority to own its properties and to carry on its business as it is now conducted, and is qualified to do business in each jurisdiction where it is required to do so under applicable Law, except where the failure to have such power, authority or qualification is not material to its business. Except as set forth on Section 4.17(c) of the Cowen Disclosure Schedule, CHRP is not and is not required to be registered with the SEC or any other Governmental Entity as an investment company under the Investment Company Act or any similar Law.

(c) All offering documents, subscription agreements, administrative services agreements, distribution, solicitation or placement agency agreements and solicitation agreements, as applicable, or any similar written agreements, including all "side letters" or other understandings, in any case pertaining to CHRP did not, to the knowledge of Cowen, at any time such offering documents were made available to investors or prospective investors in CHRP, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Section 4.17(c) of the Cowen Disclosure Schedule sets forth true, complete and correct descriptions of any "side letters" or similar understandings relating to CHRP that reduce the management fees paid to Cowen or its applicable Subsidiary.

(d) The unaudited financial statements, and where audited financial statements are available for CHRP, such audited financial statements, of CHRP for its most recent fiscal year ended on or prior to December 31, 2008 present fairly, in all material respects, the consolidated financial position of CHRP in accordance with GAAP applied on a consistent basis (except as otherwise noted therein) at the respective date of such financial statements.

(e) No consents or approvals are required under (i) applicable Law (including, for the absence of doubt, the Advisers Act), or (ii) any Investment Advisory Agreement, from any Board or Limited Partners of CHRP or any other applicable third-parties in order to (A) avoid triggering a withdrawal right of any Limited Partner pursuant to the terms of any agreements relating to CHRP or any side letters to any such agreements; and (B) consummate the transactions contemplated by this Agreement so that after the Closing Date, Cowen or its applicable Subsidiary may continue its applicable management, advisory or sub-advisory relationships on terms that are no less favorable to such Cowen entity than the terms of existing relationships.

4.18 Risk Management Instruments. (a) All Derivative Transactions, whether entered into for the account of Cowen or any of its Subsidiaries or for the account of a customer of Cowen or any of its Subsidiaries, were entered into in the Ordinary Course of Business and in accordance with applicable Laws, rules, regulations and policies of any Regulatory Authority and in accordance with the investment, securities, commodities, risk management and other policies, practices and procedures employed by Cowen and its Subsidiaries, and with counterparties believed at the time to be financially responsible and able to understand (either alone or in consultation with their advisers) and to bear the risks of such Derivative Transactions. All of such Derivative Transactions are valid and binding obligations of Cowen or one of its Subsidiaries enforceable against it in accordance with their terms (subject to the Bankruptcy and

23

Equity Exception), and are in full force and effect. Cowen and its Subsidiaries and, to Cowen's knowledge, all other parties thereto have duly performed their obligations under the Derivative Transactions to the extent that such obligations to perform have accrued and, to Cowen's knowledge, there are no breaches,

violations or defaults or allegations or assertions of such by any party thereunder.

4.19 State Takeover Laws. The Board of Directors of Cowen has unanimously approved this Agreement and the transactions contemplated hereby as required to render inapplicable to this Agreement and such transactions the restrictions on “business combinations” set forth in Section 203 of the DGCL or any other “moratorium,” “control share,” “fair price,” “takeover” or “interested stockholder” law (any such laws, “Takeover Statutes”).

4.20 Interested Party Transactions. Except as set forth in the Cowen SEC Documents or Section 4.20 of the Cowen Disclosure Schedule, no event has occurred since January 1, 2007 that would be required to be reported by Cowen pursuant to Item 404(a) of Regulation S-K promulgated by the SEC.

4.21 Reorganization. As of the date of this Agreement, Cowen is not aware of any fact or circumstance that could reasonably be expected to prevent the Cowen Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

4.22 Opinion. The Board of Directors of Cowen has received the opinion of Sandler O’Neill & Partners, to the effect that, as of the date hereof, and based upon and subject to the factors and assumptions set forth therein, the Merger Consideration is fair from a financial point of view to the holders of Cowen Common Stock. Such opinion has not been amended or rescinded as of the date of this Agreement.

4.23 Cowen Information. The information relating to Cowen and its Subsidiaries that is provided by Cowen or its representatives for inclusion in the Proxy Statement and Form S-4, or in any application, notification or other document filed with any other Regulatory Agency or other Governmental Entity in connection with the transactions contemplated by this Agreement, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading and will comply in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder; provided that Cowen makes no representations or warranties as it relates to any information provided by Ramius or its representatives to Cowen or its representatives and contained in the Form S-4 or any other filings made with any other Regulatory Agency or other Governmental Entity in connection with the transactions contemplated by this Agreement.

4.24 No Other Representations and Warranties. Except for the representations and warranties contained in this Article IV, none of Cowen, any Subsidiary of Cowen or any other Person on behalf of Cowen makes any other express or implied representation or warranty in connection with the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, no representations or warranties are made with respect to any projections, forecasts, estimates, budgets or information as to prospects with respect to Cowen and its Subsidiaries that may have been made available to Ramius or any of its representatives,

24

except as expressly set forth in this Article IV or in any certificates to be delivered pursuant to the terms set forth herein.

ARTICLE V

A true, complete and correct copies of the Limited Liability Company Agreement of Ramius and all amendments thereto (collectively, the “Ramius LLC Agreement”), as in effect as of the date of this Agreement, has previously been made available to Cowen.

(b) Each Subsidiary of Ramius (i) is duly incorporated or duly formed, as applicable to each such Subsidiary, and validly existing and in good standing under the laws of its jurisdiction of organization, (ii) has the requisite corporate power and authority or other power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted and (iii) is duly qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so qualified would not, individually or in the aggregate, have a Material Adverse Effect on Ramius.

5.2 Ownership of Subsidiaries. Except as set forth in Section 5.2 of the Ramius Disclosure Schedule, Ramius does not have any Subsidiaries and does not own any capital stock or other equity or voting securities, or any options, appreciation rights, phantom interests, warrants, calls, conversion rights, preemptive rights, rights of first refusal, redemption rights, profit participation, profit interests, repurchase rights, plans, “tag-along” or “drag-along” or other similar rights, commitments, agreements, arrangements or undertakings, in any other Person. Except as set forth in Section 5.2 of the Ramius Disclosure Schedule, Ramius owns, directly or indirectly, all of the issued and outstanding capital stock, limited liability company or other ownership interests in each of its Subsidiaries, free and clear of any Liens. The Managing Member of Ramius has determined that this Agreement and the transactions contemplated hereby are in the best interests of Ramius. No other corporate proceedings on the part of Ramius are necessary to approve this Agreement or to consummate the transactions

contemplated hereby. This Agreement has been duly and validly executed and delivered by Ramius and (assuming due authorization, execution and delivery by Cowen, New Parent, Merger Sub and Exchange Sub) constitutes the valid and binding obligation of Ramius, enforceable against Ramius in accordance with its terms (subject to the Bankruptcy and Equity Exception).

(b) Neither the execution and delivery of this Agreement by Ramius, nor the consummation by Ramius of the transactions contemplated hereby, nor compliance by Ramius with any of the terms or provisions of this Agreement, will conflict with, or result in any violation of or default (without notice or lapse of time or both) under, or give rise to a right of termination, cancellation, acceleration of any obligation or to loss of a material benefit under, or give rise to any obligation of Ramius or its Subsidiaries or any Fund to make any payment under, or to the increased, additional, accelerated or guaranteed rights or entitlements of any Person under, or result in the creation of any Liens upon any of the properties or assets of Ramius or its Subsidiaries or any Fund under, any provisions of (i) the certificate of formation, the Ramius LLC Agreement or other organizational documents of Ramius; (ii) except as set forth in Section 5.3(b) of the Ramius Disclosure Schedule, any Contract (including giving any Person the right to modify or terminate any obligation under any Management Agreement or Third Party Management Agreement) or material Permit to which Ramius or its Subsidiaries or any Fund is a party; (iii) any judgment, order, injunction or decree of any Governmental Entity applicable to Ramius or its Subsidiaries or any Fund or any of their respective properties or assets; or (iv) any applicable Law, except in the case of clauses (ii), (iii) or (iv) for violations, defaults, rights or losses that would not reasonably be expected to have a Material Adverse Effect on Ramius.

5.4 Consents and Approvals. Except for (i) filings of applications and notices with, and receipt of consents, authorizations, approvals, exemptions or nonobjections from, the SEC, non-U.S. and state securities authorities, FINRA, the CFTC, applicable securities, commodities and futures exchanges, the FSA, the Financial Services Agency of Japan, the Securities and Futures Commission in Hong Kong, the Commission for the Surveillance of the Financial Sector in Luxembourg and other SROs, (ii) the filing of a notification and report form under the HSR Act and the termination or expiration of applicable waiting periods under the HSR Act, (iii) any consents, authorizations, approvals, filings or exemptions in connection with compliance with the rules of the NASDAQ, (iv) such filings and approvals as are required to be made or obtained under the Securities Laws in connection with the issuance of the shares of New Parent Class A Common Stock pursuant to this Agreement and (v) such other consents, approvals, filings and registrations the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect on Ramius, no consents or approvals of or filings or registrations with or notice to any Governmental Entity or any other Person are necessary in connection with (A) the

26

execution and delivery by Ramius of this Agreement and (B) the consummation by Ramius of the transactions contemplated by this Agreement.

5.5 Reports. Except as set forth in Section 5.5 of the Ramius Disclosure Schedule, Ramius and each of its Subsidiaries have timely filed all material reports, registration statements and proxy statements, together with any amendments required to be made with respect thereto, that they were required to file since January 1, 2006 with the Regulatory Agencies and each other applicable Governmental Entity, and all other reports and statements required to be filed by them since January 1, 2006, including any report or statement required to be filed pursuant to the laws, rules or regulations of the United States, any state, any foreign entity, or any Regulatory Agency or other Governmental Entity, and have paid all fees and assessments due and payable in connection therewith.

5.6 Financial Statements.

(a) Ramius has previously made available to Cowen copies of the following financial statements (the "Ramius Financial Statements"), copies of which are attached as Section 5.6(a) of the Ramius Disclosure Schedule: (i) audited consolidated balance sheets of Ramius and its Subsidiaries for fiscal years 2007 and 2008 and the related consolidated statements of income for the fiscal years 2006, 2007 and 2008, and (ii) the unaudited consolidated balance sheet of Ramius and its Subsidiaries as of March 31, 2009 and the related consolidated statement on income for the three months ended March 31, 2009. The Ramius Financial Statements (i) have been prepared from, and are in accordance with, the books and records of Ramius and its Subsidiaries; (ii) fairly present in all material respects the consolidated results of operations and consolidated financial position of Ramius and its Subsidiaries for the respective fiscal periods or as of the respective dates therein set forth (subject in the case of unaudited statements to recurring year-end audit adjustments normal in nature and amount); and (iii) have been prepared in accordance with GAAP consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto. The books and records of Ramius and its Subsidiaries have been, and are being, maintained in all material respects in accordance with GAAP and any other applicable legal and accounting requirements.

(b) Neither Ramius nor any of its Subsidiaries has any material liability or obligation of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due), except for those liabilities that are reflected or reserved against in the Ramius Financial Statements (including any notes thereto) and for liabilities incurred in the Ordinary Course of Business since December 31, 2008 or in connection with this Agreement and the transactions contemplated hereby.

(c) Except as set forth in Section 5.6(c) of the Ramius Disclosure Schedule, the records, systems, controls, data and information of Ramius and its Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of Ramius or its Subsidiaries or accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a Material Adverse Effect on the system of internal accounting controls Ramius maintains. Ramius maintains a system of internal accounting controls sufficient

27

to provide reasonable assurances that transactions are executed in accordance with management's general or specific authorization.

(d) Since December 31, 2008, neither Ramius nor any of its Subsidiaries nor, to the knowledge of the officers of Ramius, any member, manager, director, officer, employee, auditor, accountant or representative of Ramius or any of its Subsidiaries has received or otherwise had or obtained knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of Ramius or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that Ramius or any of its Subsidiaries has engaged in questionable accounting or auditing practices.

5.7 Broker's Fees. Except as set forth in Section 5.7 of the Ramius Disclosure Schedule, neither Ramius nor any of its Subsidiaries nor any of their respective managers, members, officers or directors has employed any broker or finder or incurred any liability for any broker's fees, commissions or finder's fees in connection with the Transactions or related transactions contemplated by this Agreement, other than Credit Suisse Securities (USA), LLC, and pursuant to a letter agreement, true, complete and correct copies of which have been previously delivered to Cowen.

5.8 Absence of Certain Changes or Events.

(a) Since December 31, 2008, no event or events have occurred that have had or would reasonably be expected to have a Material Adverse Effect on Ramius.

(b) Since December 31, 2008 through and including the date of this Agreement, except as set forth on Section 5.8(b) of the Ramius Disclosure Schedule, Ramius and its Subsidiaries have carried on their respective businesses in all material respects in the Ordinary Course of Business and none of Ramius or any Subsidiary has taken any action that, if taken after the date of this Agreement, would constitute a breach of any of the covenants set forth in Section 6.2(e) or Section 6.2(i).

5.9 Legal Proceedings.

(a) Except as set forth on Section 5.9 of the Ramius Disclosure Schedule, and except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Ramius, neither Ramius nor any of its Subsidiaries nor any Fund is a party to any, and there are no pending or, to Ramius's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions or governmental or regulatory investigations of any nature by or against Ramius or any of its Subsidiaries or any Fund or, to the knowledge of Ramius, any of its or its Subsidiaries' key employees with respect to its business, or to which any of their assets are subject.

(b) There is no judgment, order, injunction, decree or regulatory restriction imposed upon Ramius, any of its Subsidiaries, any Fund, or the assets of Ramius or any of its Subsidiaries or any Fund (or that, upon consummation of the Transactions, would apply to Cowen or any of its Subsidiaries).

28

5.10 Taxes and Tax Returns. Each of Ramius and its Subsidiaries has (i) duly and timely filed (including all applicable extensions) all federal income Tax Returns and other material Tax Returns required to be filed by it (all such Tax Returns being accurate and complete in all material respects) and (ii) has paid all Taxes due and owing by Ramius or any of its Subsidiaries (whether or not shown on any Tax Return). Neither Ramius nor any of its Subsidiaries currently is the beneficiary of any extension of time within which to file any material Tax Return. None of the federal, state and local income Tax Returns for periods beginning after January 1, 2005 of Ramius and its Subsidiaries have been examined by the IRS or other relevant taxing authority. No written claim has ever been made by an authority in a jurisdiction where Ramius or any of its Subsidiaries does not file Tax Returns that Ramius or any of its Subsidiaries is or may be subject to taxation by that jurisdiction. There are no material Liens for Taxes (other than Taxes not yet due and payable) upon any of the assets of Ramius or any of its Subsidiaries. Each of Ramius and its Subsidiaries have withheld and paid all material Taxes required to have been withheld and paid in connection with any amounts paid or owing to any employee, independent contractor, creditor, stockholder, or other third party. Neither Ramius nor any of its Subsidiaries has received from any foreign, federal, state, or local taxing authority (including jurisdictions where Ramius or its Subsidiaries have not filed Tax Returns) any (i) notice indicating an intent to open an audit or other review, (ii) request for information related to Tax matters, or (iii) notice of deficiency or proposed adjustment for any amount of Tax proposed, asserted, or assessed by any taxing authority against Ramius or any of its Subsidiaries. Neither Ramius nor any of its Subsidiaries has waived any statute of limitations in respect of material Taxes or agreed to any extension of time with respect to a material Tax assessment or deficiency. Neither Ramius nor any of its Subsidiaries (A) has been a member of an affiliated group filing a consolidated federal income Tax Return or (B) has any liability for a material amount of Taxes of any person (other than Ramius and any of its Subsidiaries) under Regulation Section 1.1502-6 (or any similar provision of state, local, or foreign law), as a transferee or successor, by contract, or otherwise. Any material liabilities for Taxes not yet due and payable, or which are being contested in good faith by appropriate proceedings, with respect to Ramius and any of its Subsidiaries (A) did not, as of December 31, 2008, exceed the reserve and provision for Tax liabilities set forth on the face of the Ramius Financial Statements and (B) do not exceed that reserve and provision as adjusted for Tax liabilities incurred in the Ordinary Course of Business through the Closing Date. Neither Ramius nor any of its Subsidiaries has a permanent establishment outside of the national jurisdiction in which it was formed. Except as set forth in Section 5.10 of the Ramius Disclosure Schedule, each Subsidiary of Ramius has since the date of its formation been properly classified for U.S. Federal income tax purposes as either a partnership or disregarded entity and not as an association taxable as a corporation, or a "publicly traded partnership" within the meaning of Section 7704(b) of the Code that is treated as a corporation for U.S. federal income tax purposes under Section 7704(a) of the Code, and neither Ramius nor any of its Subsidiaries has taken a position inconsistent with such treatment with regard to any Tax. There are no material disputes pending, or written claims asserted, for Taxes or assessments upon Ramius or any of its Subsidiaries for which Ramius does not have reserves that are adequate under GAAP. Neither Ramius nor any of its Subsidiaries is a party to or is bound by any Tax sharing agreement or arrangement (other than such an agreement or arrangement exclusively between or among Ramius and its Subsidiaries). Within the past two (2) years (or otherwise as part of a "plan (or series of related transactions)" within the meaning of Section 355(e) of the Code of which the Transactions are also a part), neither Ramius nor any

29

of its Subsidiaries has been a "distributing corporation" or a "controlled corporation" in a distribution intended to qualify under Section 355(a) of the Code. Neither Ramius nor any of its Subsidiaries has participated in a "listed transaction" within the meaning of Treasury Regulation Section 1.6011-4(b) (2) subsequent to such transaction becoming listed.

5.11 Employee Matters.

(a) Section 5.11(a) of the Ramius Disclosure Schedule sets forth a true, complete and correct list of each material "employee benefit plan" as defined in Section 3(3) of ERISA, whether or not subject to ERISA, and each material employment, consulting, bonus, incentive or deferred compensation, vacation, stock option or other equity-based, severance, termination, retention, change of control, profit-sharing, fringe benefit or other similar plan, program, agreement or commitment, whether written or unwritten, for the benefit of any employee, former employee, manager or former manager of Ramius or any of its Subsidiaries entered into, maintained or contributed to by Ramius or any of its Subsidiaries or to which Ramius or any of its Subsidiaries is obligated to contribute, or with respect to which Ramius or any of its Subsidiaries has any liability, direct or indirect, contingent or otherwise (including any liability arising out of an indemnification, guarantee, hold harmless or similar agreement) or otherwise providing benefits to any current, former or future employee,

officer or manager of Ramius or any of its Subsidiaries or to any beneficiary or dependent thereof (such plans, programs, agreements and commitments, herein referred to as the “Ramius Benefit Plans”).

(b) With respect to each Ramius Benefit Plan, Ramius has delivered or made available to Cowen a true, correct and complete copy of: (i) each writing constituting a part of such Plan; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedule, if any; (iii) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (iv) the most recent annual financial report, if any; (v) the most recent actuarial report, if any; and (vi) the most recent determination letter from the IRS, if any.

(c) Each Ramius Benefit Plan intended to be “qualified” within the meaning of Section 401(a) of the Code has received a favorable determination letter from the IRS, or has pending an application for such determination from the IRS with respect to those provisions for which the remedial amendment period under Section 401(b) of the Code has not expired, and, to the knowledge of Ramius, there is not any reason why any such determination letter should be revoked. Each of the Ramius Benefit Plans has been operated and administered in accordance with applicable Law, including, but not limited to, ERISA, the Code and in each case the regulations thereunder.

(d) No Ramius Benefit Plan provides benefits, including, without limitation, death or medical benefits (whether or not insured), with respect to current or former employees or directors of Ramius or any of its Subsidiaries beyond their retirement or other termination of service, other than (1) coverage mandated by applicable Law or (2) death benefits or retirement benefits under any “employee pension plan” (as such term is defined in Section 3(2) of ERISA). Except as could not be reasonably expected to result in a material liability to Ramius or any of its Subsidiaries, neither Ramius nor any of its Subsidiaries has engaged in a transaction in connection with which Ramius or any of its Subsidiaries reasonably could be subject to either a

30

civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a tax imposed pursuant to Section 4975 or 4976 of the Code. Except as could not be reasonably expected to result in a material liability to Ramius or any of its Subsidiaries no Controlled Group Liability has been incurred by Ramius, any of its Subsidiaries or any of their respective ERISA Affiliates that has not been satisfied in full, and, to the knowledge of Ramius, no condition exists that presents a risk to Ramius, any of its Subsidiaries or any of their respective ERISA Affiliates of incurring any such liability. Except as could not be reasonably expected to result in a material liability to Ramius or any of its Subsidiaries, all contributions required to be made to any Ramius Benefit Plan by applicable Law or by any plan document or other contractual undertaking, and all premiums due or payable with respect to insurance policies funding any Ramius Benefit Plan, for any period through the date hereof have been timely made or paid in full or, to the extent not required to be made or paid on or before the date hereof have been fully accrued in accordance with generally accepted accounting principles.

(e) Section 5.11(e) of the Ramius Disclosure Schedule identifies each Ramius Benefit Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code (a “Ramius Pension Plan”). With respect to each Ramius Pension Plan, the most recent actuarial report prepared by such plan’s actuary with respect to such plan in accordance with FASB No. 87 sets forth accurately the accrued benefit obligations of such plan, determined using the actuarial methods, factors, and assumptions contained in such report, and the fair market value of the assets of such plan, each as of the date set forth in such report, and since the date of such report there has been no material adverse change in the accrued benefit obligations or the fair market value of the assets of such plan. Neither Ramius, any of its Subsidiaries nor any of their respective ERISA Affiliates contributes (or has contributed in the six years prior to the date hereof) to a “multiemployer pension plan” (as such term is defined in Section 3(37) of ERISA) or a plan that has two or more contributing sponsors at least two of whom are not under common control, within the meaning of Section 4063 of ERISA.

(f) There are no pending, threatened or anticipated claims (other than routine claims for benefits) by, on behalf of or against any of the Ramius Benefit Plans or any trusts related thereto or fiduciaries thereof which could reasonably be expected to result in a material liability of Ramius or any of its Subsidiaries.

(g) Neither the execution or delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in conjunction with any other event, (i) result in any material payment or benefit becoming due or payable, or required to be provided, to any manager, member, employee or independent contractor of Ramius or any of its Subsidiaries or to such individuals in the aggregate, (ii) materially increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such manager, member, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting or funding of any such benefit or compensation, (iv) result in any material limitation on the right of Ramius or any of its Subsidiaries to amend, merge or, terminate any Ramius Benefit Plan or related trust or (v) fail to be deductible by reason of Section 280G of the Code.

(h) All Ramius Benefit Plans subject to the laws of any jurisdiction outside of the United States (i) have been maintained in accordance with all applicable requirements, (ii) if they

31

are intended to qualify for special tax treatment meet all requirements for such treatment, and (iii) if they are intended to be funded and/or book-reserved are fully funded and/or book reserved, as appropriate, based upon reasonable actuarial assumptions.

(i) No labor organization or group of employees of Ramius or any of its Subsidiaries has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or threatened to be brought or filed, with the National Labor Relations Board or any other labor relations tribunal or authority. There are no organizing activities, strikes, work stoppages, slowdowns, lockouts, material arbitrations or material grievances, or other material labor disputes pending or threatened against or involving Ramius or any of its Subsidiaries. Except as could not be reasonably expected to result in a material liability to Ramius or any of its Subsidiaries, each of Ramius and its Subsidiaries is in compliance in all material respects with all applicable laws and collective bargaining agreements respecting employment and employment practices, terms and conditions of employment, wages and hours and occupational safety and health.

(j) Each Ramius Benefit Plan that is a “nonqualified deferred compensation plan” within the meaning of Section 409A(d)(1) of the Code and any award thereunder, in each case that is subject to Section 409A of the Code, has been operated in compliance in all material respects with Section 409A of the Code since January 1, 2006, based upon a good faith, reasonable interpretation of (A) Section 409A of the Code and (B)(1) the proposed and final

Treasury Regulations issued thereunder, where applicable, and (2) Internal Revenue Service Notice 2005-1, all subsequent Internal Revenue Service Notices, and other interim guidance on Section 409A of the Code, where applicable.

5.12 Certain Contracts. (a) Section 5.12(a) of the Ramius Disclosure Schedule sets forth all of the following Contracts in existence to which Ramius or any of its Subsidiaries is a party or by which it is bound as of the date hereof (collectively, the “Ramius Contracts”):

33

(xviii) Contracts that grant any Person other than Ramius or its Subsidiaries any interest or right to receive any fees, profits or losses (whether current or deferred) of, or any other economic interest (including any “carried interest”) in, any of Ramius’s Subsidiaries.

(b) (i) Each Ramius Contract is valid and binding on Ramius or its applicable Subsidiary and, to the knowledge of Ramius, the other party thereto, enforceable against it and the other party thereto in accordance with its terms (subject to the Bankruptcy and Equity Exception), and is in full force and effect, and has not been modified or amended except pursuant to an amendment set forth on Section 5.12(a) of the Ramius Disclosure Schedule, (ii) Ramius and each of its Subsidiaries and/or Fund, as applicable, and, to Ramius’s knowledge, each other party thereto has duly performed all obligations required to be performed by it to date under each Ramius Contract and (iii) no event or condition exists that constitutes or, after notice or lapse of time or both, will constitute, a material breach, violation or default on the part of Ramius or any of its Subsidiaries or any Fund or, to Ramius’s knowledge, any other party thereto under any such Ramius Contract. There are no material disputes pending or, to Ramius’s knowledge, threatened, and no material amounts due or owing remain unpaid, with respect to any Ramius Contract.

5.13 Property. As of the date hereof, none of Ramius or any of its Subsidiaries owns, and has never owned, any real property. Any real property leased or subleased or in which another similar occupancy interest is held by Ramius or any of its Subsidiaries, as tenant, subtenant or occupant, or which Ramius or any of its Subsidiaries has granted, as landlord or sublandlord, a leasehold, subleasehold or other similar interest, is listed in Section 5.12(a) of the Ramius Disclosure Schedule, and true and correct copies of all leases, subleases and other such agreements (including amendments, modifications and supplements thereto) have been provided to Cowen, and Ramius and its Subsidiaries, as applicable, have good and valid leasehold title to their respective leased and subleased real property, free and clear of any Liens (other than Permitted Liens).

5.14 Intellectual Property.

(a) Section 5.14(a) of the Ramius Disclosure Schedule contains a list of all Ramius IP. Except as would not reasonably be expected to have a Material Adverse Effect on Ramius, Ramius and its Subsidiaries collectively own all right, title and interest in, or have the valid right to use, all of the Ramius IP, free and clear of any Liens, and there are no obligations to, covenants to or restrictions from third parties affecting Ramius's or its applicable Subsidiary's or Fund's use, enforcement, transfer or licensing of the Owned Ramius IP.

(b) The Owned Ramius IP and Licensed Ramius IP constitute all the Intellectual Property necessary and sufficient to conduct the businesses of Ramius, its Subsidiaries and the Funds as they are currently conducted, as they have been conducted since January 1, 2008.

(c) The Owned Ramius IP and, to the knowledge of Ramius, Licensed Ramius IP, are valid, subsisting and enforceable.

(d) Neither Ramius nor any of its Subsidiaries nor any Fund has infringed, misappropriated or otherwise violated any Intellectual Property of any third party.

34

(e) No Owned Ramius IP or Licensed Ramius IP is being used or enforced in a manner that would result in the abandonment, cancellation or unenforceability of such Intellectual Property. To the knowledge of Ramius, no third party has infringed, misappropriated or otherwise violated any Owned Ramius IP.

5.15 Insurance. Ramius and its Subsidiaries maintain (or Ramius maintains on behalf of its Subsidiaries) such workers' compensation, comprehensive property and casualty, liability, errors and omissions, directors' and officers', fidelity and other insurance sufficient to operate their business as currently conducted as they may be required to maintain under applicable law. Ramius and its Subsidiaries have complied in all material respects with the terms and provisions of such policies and bonds.

5.16 Compliance with Laws; Permits.

(a) Each of Ramius and its Subsidiaries and the Funds has been since January 1, 2006 and is in compliance in all material respects with all Laws of any Governmental Entity and the rules and regulations of any SRO that are applicable to its respective business, operations, or assets. Except as set forth in Section 5.16(a) of the Ramius Disclosure Schedule, no Regulatory Agency or other Governmental Entity has initiated since January 1, 2006 and on or prior to the date of this Agreement or has pending as of the date of this Agreement any proceeding, enforcement action or, to the knowledge of Ramius, investigation into the business, disclosures or operations of Ramius, any of its Subsidiaries or any Fund. Except for ordinary and usual examinations conducted by a Regulatory Agency or other Governmental Entity in the Ordinary Course of Business of Ramius and its Subsidiaries that have not resulted and are not reasonably expected to result in a materially adverse finding or claim against Ramius or any of its Subsidiaries, no Regulatory Agency or other Governmental Entity has initiated since the date of this Agreement any proceeding, enforcement action or, to the knowledge of Ramius, investigation into the business, disclosures or operations of Ramius or any of its Subsidiaries. Since January 1, 2006, no Regulatory Agency or other Governmental Entity has resolved any proceeding, enforcement action or, to the knowledge of Ramius, investigation into the business, disclosures or operations of Ramius, any of its Subsidiaries or any Fund. There is no unresolved or, to Ramius's knowledge, threatened, criticism, comment or exception by any Regulatory Agency or other Governmental Entity with respect to any report or statement relating to any examinations or inspections of Ramius, any of its Subsidiaries or any Fund. Since January 1, 2006 there has been no formal or informal inquiries by, or disagreements or disputes with, any Regulatory Agency or other Governmental Entity with respect to the business, operations, policies or procedures of Ramius, any of its Subsidiaries or any Fund (other than normal examinations conducted by a Regulatory Agency or other Governmental Entity in Ramius's Ordinary Course of Business).

(b) Neither Ramius nor any of its Subsidiaries nor any Fund is subject to any cease-and-desist or other order or formal or informal enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been since January 1, 2006 a recipient of any supervisory letter from, or has been ordered to pay any civil money penalty by, or since January 1, 2006 has adopted any policies, procedures or board resolutions at the request or suggestion of, any Regulatory Agency or other Governmental

35

Entity that currently restricts or affects in any material respect the conduct of its business or that in any material manner relates to its risk management or compliance policies, its internal controls, its management or its business, other than those of general application that apply to similarly situated companies or their Subsidiaries (each item in this sentence, a "Ramius Regulatory Agreement"), nor has Ramius, any of its Subsidiaries nor any Fund been advised since January 1, 2006 by any Regulatory Agency or other Governmental Entity that it is considering issuing, initiating, ordering or requesting any such Ramius Regulatory Agreement.

(c) Section 5.16(c) of the Ramius Disclosure Schedule contains a list of all Permits which are required for the operation of the business of Ramius, its Subsidiaries as presently conducted, other than those the failure of which to possess is not material to the operation of such business. Each of Ramius and its Subsidiaries currently has all Permits which are required for the operation of its business as presently conducted and as presently intended to be conducted, other than those the failure of which to possess is not material to the operation of such business. None of Ramius or its Subsidiaries is in default or violation, and no event has occurred which, with notice or the lapse of time or both, would constitute a default or a violation, in any material respect of any term, condition or provision of any material Permit to which it is a party, to which its business is subject or by which its properties or assets are bound, and to the knowledge of Ramius, there are no facts or circumstances which could reasonably be expected to form the basis for any such default or violation.

Each employee of Ramius or its Subsidiaries who is required to be registered or licensed as a registered representative, investment advisor representative, sales person or an equivalent person with any Governmental Entity or SRO is fully registered or licensed as such and such registration is in full force and effect.

7.4 Further Assurances; Additional Agreements. Each of Cowen and Ramius shall use its reasonable best efforts to, and to cause their respective Subsidiaries to, (i) take all actions necessary or appropriate to consummate the transactions contemplated by this Agreement and (ii) cause the fulfillment at the earliest practicable date of all of the conditions to their respective obligations to consummate the transactions contemplated by this Agreement. In addition, at and after the Effective Time, the officers, directors and managers of New Parent, the Cowen Surviving Corporation or Exchange Sub, as applicable, shall be authorized to execute and deliver, in the name and on behalf of the Cowen Surviving Corporation, Merger Sub or Cowen, or Exchange Sub or Ramius, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Cowen Surviving Corporation, Merger Sub or Cowen, or Exchange Sub or Ramius, any other actions and things necessary to vest, perfect or confirm of record or otherwise in New Parent, the Cowen Surviving Corporation or Exchange Sub any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by New Parent, the Cowen Surviving Corporation or Exchange Sub, as applicable, as a result of, or in connection with, the Transactions.

7.6 Employee Matters. (a) On or prior to the Closing, Ramius shall take all action necessary to cause the employment of each employee of Ramius and each Ramius Benefit Plan maintained by Ramius (and any related assets and liabilities), other than the REOP and grant agreements evidencing awards under the REOP and the portion of the Tapestry Interests under the RAAP (as defined therein) representing a right to receive a Ramius Percentage Interest, and in each case the liabilities with respect thereto (collectively, the "Excluded Ramius Benefits"), to be transferred to Exchange Sub, each effective as of and subject to the Closing. From and after the Effective Time, the Cowen Benefit Plans and the Ramius Benefit Plans (which, for purposes of this Section 7.6, shall include those plans transferred to Exchange Sub pursuant to this Section 7.6(a)) in effect as of the Effective Time shall remain in effect with respect to employees and former employees of Cowen or Ramius and their respective Subsidiaries (the "New Parent Employees"), respectively, covered by such plans at the Effective Time, until such time as New Parent shall otherwise determine, subject to applicable laws and the terms of such plans. It is the intention of Cowen and Exchange Sub, to the extent permitted by applicable Law, to develop new benefit plans, as soon as reasonably practicable after the Effective Time, which, among other things, (i) treat similarly situated employees on a substantially equivalent basis, taking into account all relevant factors, including duties, geographic location, tenure, qualifications and abilities and (ii) do not discriminate between the New Parent Employees who were covered by Cowen Benefit Plans, on the one hand, and those covered by Ramius Benefit Plans on the other, at the Effective Time. Notwithstanding the foregoing, for the period commencing on the Effective Time and ending on the first anniversary of the Effective Time (the "Cowen Continuation Period"), New Parent shall, or shall cause one of its Subsidiaries to, provide compensation and employee benefits to the New Parent Employees who were employed by Cowen or its Subsidiaries prior to the Effective Time (the "Cowen Covered Employees") that are substantially comparable in the aggregate to those provided to the Cowen Covered Employees immediately prior to the Effective Time; provided, however, that in connection with implementing the foregoing, New Parent shall not be precluded from substituting for any Cowen

47

Benefit Plan or plans, during the Cowen Continuation Period, one or more New Plans (as defined in Section 7.6(b) hereof) of substantially the same type. In addition to, and not in contravention of the foregoing, Cowen Covered Employees whose employment is terminated without "cause" during the Cowen Continuation Period will be entitled to severance benefits in accordance with the Cowen Severance Policy described on Section 7.6(a) of the Cowen Disclosure Schedule. Nothing herein shall prohibit any changes to the Cowen Benefit Plans or the Ramius Benefit Plans that may be (i) required by applicable laws, (ii) necessary as a technical matter to reflect the transactions contemplated hereby or (iii) required for New Parent to provide for or permit investment in its securities.

(b) With respect to any benefit plans in which any New Parent Employees who are employees of Cowen or Exchange Sub (or their respective Subsidiaries) at the Effective Time first become eligible to participate on or after the Effective Time, and in which such New Parent Employees did not participate prior to the Effective Time (the "New Plans"), New Parent shall (i) waive all pre-existing conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the New Parent Employees and their eligible dependents under any New Plans in which such employees may be eligible to participate after the Effective Time, except to the extent such preexisting conditions, exclusions or waiting periods would apply under the analogous Cowen Benefit Plan or Ramius Benefit Plan, as the case may be; (ii) provide each New Parent Employee and his or her eligible dependents with credit for any co-payments and deductibles paid prior to the Effective Time under a Cowen Benefit Plan or Ramius Benefit Plan (to the same extent that such credit was given under the analogous Benefit Plan prior to the Effective Time) in satisfying any applicable deductible or out-of-pocket requirements under any New Plans in which such employees may be eligible to participate after the Effective Time; and (iii) recognize (in addition to service with New Parent or its Subsidiaries following the Effective Time) all service of the New Parent Employees with Cowen or Ramius, respectively, and their respective affiliates and predecessors, for purposes of eligibility to participate, vesting credit, entitlement to benefits and levels of benefits in any New Plan in which such employees may be eligible to participate after the Effective Time, to the extent such service is taken into account under the applicable New Plan, except to the extent that such crediting of would result in duplication of benefits with respect to the same period of service and provided that no prior service shall be recognized for purposes of benefit accrual under any final average pay defined benefit plan.

(c) As of the Effective Time, New Parent shall honor all Cowen Benefit Plans and Ramius Benefit Plans (other than the Excluded Ramius Benefits) in accordance with their terms. As of the Effective Time, New Parent shall take all action necessary to effectuate the agreements set forth in Section 7.6(c) of the Cowen Disclosure Schedule.

(d) New Parent and Ramius hereby acknowledge that the transactions contemplated by this Agreement constitute a “change of control,” “change in control” or term of similar import within the meaning of the Cowen Benefit Plans, and Section 7.6(d) of the Cowen Disclosure Schedule lists the material Cowen Benefit Plans containing such term(s).

(e) Effective as of the Closing, Exchange Sub shall assume all liability for making the cash payments in satisfaction of the awards outstanding under the Ramius LLC Phantom Interest Program as of the Closing that are held by employees of Ramius and its Subsidiaries who

48

become employees of Exchange Sub or its Affiliates as of the Closing and that vest immediately prior to the Closing as may be provided by Ramius.

(f) Notwithstanding anything in this Agreement to the contrary, no provision of this Agreement shall be deemed to (i) guarantee employment for any period of time for, or preclude the ability of either party to terminate, any New Parent Employee for any reason, (ii) require New Parent to continue any Cowen Benefit Plan or Ramius Benefit Plan or prevent the amendment, modification or termination thereof after the Effective Time to the extent permitted by their terms and applicable law, (iii) constitute an amendment to any Cowen Benefit Plan or Ramius Benefit Plan, or (iv) provide any rights to any Employees, whether as third-party beneficiaries or otherwise, to enforce any provision of this Section 7.6.

7.7 Indemnification; Directors’ and Officers’ Insurance.

(a) In the event of any threatened or actual claim, action, suit, proceeding or investigation, arbitration, whether civil, criminal or administrative (a “Claim”), including any such Claim in which any individual who is now, or has been at any time prior to the date of this Agreement, or who becomes prior to the Effective Time, a director or officer of Cowen or any of its Subsidiaries or an officer, manager or managing member of Ramius or any of its Subsidiaries, including, without limitation, C4S & Co., LLC and its members, or who is or was serving at the request of Cowen or any of its Subsidiaries or at the request of Ramius or its Subsidiaries as a director, manager or officer of another person (the “Indemnified Parties”), is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that he or she is or was a director or officer of Cowen or any of its Subsidiaries or any officer or manager of Ramius or any of its Subsidiaries prior to the Effective Time or (ii) this Agreement or any of the transactions contemplated by this Agreement, whether asserted or arising before or after the Effective Time, the parties shall cooperate and use their reasonable best efforts to defend against and respond thereto. All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of any Indemnified Party as provided in their respective certificates or articles of incorporation or by-laws (or comparable organizational documents), and any indemnification agreements which are existing as of the date hereof, shall survive the Transactions and shall continue in full force and effect in accordance with their terms, and shall not be amended, repealed or otherwise modified for a period of six (6) years after the Effective Time in any manner that would adversely affect the rights thereunder of such individuals for acts or omissions occurring at or prior to the Effective Time or taken at the request of New Parent pursuant to Section 7.4, it being understood that nothing in this sentence shall require any amendment to the New Parent Charter or the New Parent By-Laws.

(b) From and after the Effective Time, New Parent, the Cowen Surviving Corporation and Exchange Sub shall to the fullest extent permitted by applicable law jointly and severally, indemnify, defend and hold harmless, and provide advancement of expenses to, each Indemnified Party against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any Claim based in whole or in part on or arising in whole or in part out of the fact that such person is or was a director or officer of Cowen or any of its Subsidiaries or a manager or officer of Ramius or any of its Subsidiaries, as applicable, and pertaining to any matter existing or occurring, or any acts or omissions occurring,

49

(c) New Parent shall cause the individuals serving as officers and directors of Cowen or any of its Subsidiaries or officers and managers of Ramius or any of its Subsidiaries immediately prior to the Effective Time to be covered for a period of six (6) years from the Effective Time by the directors’ and officers’ liability insurance policy maintained by Cowen or Ramius, as applicable (provided that New Parent may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less advantageous than such policy) with respect to acts or omissions occurring prior to the Effective Time that were committed by such officers and directors in their capacity as such; provided that in no event shall New Parent be required to expend annually in the aggregate an amount in excess of 200% of the annual premiums currently paid by Cowen or Ramius, as applicable (which current amount is set forth in Section 7.7(c) of the Cowen Disclosure Schedule and the Ramius Disclosure Schedule) for such insurance (the “Insurance Amount”), and provided further that if New Parent is unable to maintain such policy (or such substitute policy) as a result of the preceding proviso, New Parent shall obtain as much comparable insurance as is available for the Insurance Amount. New Parent’s obligations under this Section 7.7(c) may be satisfied by Cowen purchasing a “tail” policy prior to the Closing from an insurer with substantially the same or better credit rating as the current carriers for Cowen’s and Ramius’s respective existing directors’ and officers’ insurance policies in effect as of the date of this Agreement (collectively, the “Existing Policies”), which (i) has an effective term of six (6) years from the Effective Time, (ii) covers each Person covered by the Existing Policies for actions and omissions occurring prior to the Effective Time, and (iii) contains terms that are no less favorable in the aggregate than the Existing Policies.

(d) The provisions of this Section 7.7 shall survive the Effective Time and are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs or representatives.

7.8 Exemption from Liability Under Section 16(b). Prior to the Effective Time, Ramius and Cowen shall each take all such steps as may be reasonably necessary or appropriate, and the parties shall cooperate with each other as necessary, to cause any deemed disposition of shares of Cowen Common Stock or conversion of any derivative securities in respect of such shares of Cowen Common Stock or any deemed acquisition of shares of New Parent Class A Common Stock by an individual who after the Transactions is expected to be subject to Section 16(b) of the Exchange Act with respect to New Parent, in each case in connection with the consummation of the transactions contemplated by this Agreement, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

7.9 Governance; Name Change. (a) On or prior to the Effective Time, Cowen and Ramius shall cause the number of directors that will comprise the full Board of Directors of New Parent at the Effective Time to be expanded to ten (10) directors. NASDAQ) to New Parent, and six (6) directors shall be individuals appointed by Ramius, three (3) of whom shall be independent (within the meaning of the rules and regulations promulgated by NASDAQ) to New Parent. The Cowen appointees and the Ramius appointees are set forth on Schedule B hereto. No other directors or employees of Cowen or Ramius shall be designated to serve on the Board of Directors of New Parent at the Effective Time.

(b) On or prior to the Effective Time, Cowen and Ramius shall take such actions as are necessary to cause, effective as of the Effective Time, (i) Peter A. Cohen to be appointed as Chairman of the Board of Directors and Chief Executive Officer of New Parent and (ii) John E. Toffolon, Jr., to be appointed as Lead Director of the Board of Directors of New Parent.

(c) On or prior to the Effective Time, Cowen and Ramius shall take such actions as are necessary to cause the persons indicated in Schedule C hereto to be elected or appointed to the offices of New Parent specified in such Schedule as of the Effective Time.

(d) Immediately upon consummation of the Transactions, (i) New Parent shall change its name to Cowen Group, Inc., (ii) Exchange Sub shall change its name to Ramius LLC and (iii) Ramius shall change its name to RCG LLC or another name selected by Ramius that does not contain the word "Ramius."

7.10 No Solicitation.

(a) No-Solicitation by Ramius.

(i) Unless and until Cowen enters into or participates in any discussions or negotiations regarding an Alternative Transaction or enters into a confidentiality agreement with any third party with respect to an Alternative Transaction not resulting from or arising out of a breach of Section 7.10, during the period from the date hereof continuing through the Closing, Ramius shall not, and shall cause its Subsidiaries and the respective Affiliates of Ramius and its Subsidiaries and all of the managers, members, officers, directors, employees, agents, representatives, consultants, financial advisors, attorneys, accountants or other agents of Ramius or any Affiliate not to, directly or indirectly, (i) solicit, initiate, encourage, facilitate (including by way of furnishing or providing information) or take any other action facilitating or designed to facilitate any inquiries or proposals regarding any merger, share exchange, consolidation, sale of assets, sale of membership interests or capital stock or similar transactions involving Ramius or any of its Subsidiaries that, if consummated, would constitute an Alternative Transaction (any of the foregoing inquiries or proposals, including the indication of any intention to propose any of the foregoing, being referred to herein as a "Ramius Alternative Proposal"), (ii) enter into or participate in any discussions or negotiations regarding an Alternative Transaction or (iii) enter into any agreement regarding any Alternative Transaction. Ramius shall immediately cease, and cause its representatives and other intermediaries to immediately cease, any and all existing activities, discussions or negotiations with any parties conducted heretofore with respect to any of the foregoing and shall demand the return or destruction of any information previously provided with respect to such activities, discussions or negotiations.

(ii) Ramius shall notify Cowen promptly (but in no event later than 24 hours) after receipt of any Ramius Alternative Proposal, or any material modification of or material

amendment to any Ramius Alternative Proposal, or any request for nonpublic information relating to Ramius or any of its Subsidiaries or any Fund or for access to the properties, books or records of Ramius or any of its Subsidiaries or any Fund. Such notice to Cowen shall be made orally and in writing, and shall indicate the identity of the person making the Ramius Alternative Proposal or intending to make or considering making a Ramius Alternative Proposal or requesting non-public information or access to the books and records of Ramius or any of its Subsidiaries or any Fund, and a copy of such Ramius Alternative Proposal (if in writing) and summary of the material terms of any such Ramius Alternative Proposal or modification or amendment to a Ramius Alternative Proposal. Ramius shall use its best efforts to keep Cowen fully informed, on a timely basis, of any material changes in the status and any material changes or modifications in the terms of any such Ramius Alternative Proposal, indication or request.

(b) No Solicitation by Cowen.

(i) During the period from the date hereof continuing through the Closing, Cowen shall not and shall cause its Subsidiaries and the respective Affiliates of Cowen and its Subsidiaries and all of the officers, directors, employees, agents, representatives, consultants, financial advisors, attorneys, accountants or other agents of Cowen or any Affiliate not to, directly or indirectly, (i) solicit, initiate, encourage, facilitate (including by way of furnishing or providing information) or take any other action facilitating or designed to facilitate any inquiries or proposals regarding any merger, share exchange, consolidation, sale of assets, sale of membership interests or capital stock or similar transactions involving Cowen or any of its Subsidiaries that, if consummated, would constitute an Alternative Transaction (any of the foregoing inquiries or proposals, including the indication of any intention to propose any of the foregoing, being referred to herein as a "Cowen Alternative Proposal"), (ii) enter into or participate in any discussions or negotiations regarding an Alternative Transaction or (iii) enter into any agreement regarding any Alternative Transaction (other than a confidentiality agreement as permitted by Section 7.10(b)(iv)). Cowen shall immediately cease, and cause its representatives and other intermediaries to immediately cease, any and all existing activities, discussions or negotiations with any parties conducted heretofore with respect to any of the foregoing and shall demand the return or destruction of any information previously provided with respect to such activities, discussion, or negotiations.

(ii) Cowen shall notify Ramius promptly (but in no event later than 24 hours) after receipt of any Cowen Alternative Proposal, or any material modification of or material amendment to any Cowen Alternative Proposal, or any request for nonpublic information relating to Cowen or any of its Subsidiaries or for access to the properties, books or records of Cowen or any of its Subsidiaries. Such notice to Ramius shall be made orally and in writing, and shall indicate the identity of the person making the Cowen Alternative Proposal or intending to make or considering making a Cowen Alternative Proposal or requesting non-public information or access to the books and records of Cowen or any of its Subsidiaries, and a copy of such Cowen Alternative

Proposal (if in writing) and summary of the material terms of any such Cowen Alternative Proposal or modification or amendment to a Cowen Alternative Proposal. Cowen shall use its best efforts to keep Ramius fully informed, on a timely basis, of any material changes in the status and any material changes or modifications in the terms of any such Cowen Alternative Proposal, indication or request. Cowen shall also provide Ramius 24 hours written notice before it enters into any discussions or negotiations concerning any Alternative Proposal

52

in accordance with Section 7.10(b)(iii) and shall keep Ramius fully informed, on a timely basis, as to the material developments and results of all such discussions or negotiations. Cowen shall not, and shall cause each of its Subsidiaries not to, terminate, waive, amend or modify any provision of any existing standstill or confidentiality agreement to which it or any of its Subsidiaries is a party, and Cowen shall, and shall cause its Subsidiaries to, enforce the provisions of any such agreement.

(iii) Except as expressly permitted by this Section 7.10(b)(iii), neither the Board of Directors of Cowen nor any committee thereof shall (i) withdraw, modify or qualify, or propose publicly to withdraw, modify or qualify, the recommendation by the Board of Directors of Cowen of this Agreement and/or the Transactions to Cowen's stockholders, or (ii) approve or recommend, or publicly propose to approve or recommend, or fail to recommend against, any Cowen Alternative Proposal (any of the actions described in clauses (i) or (ii), a "Change of Recommendation"). Notwithstanding the foregoing, the Board of Directors of Cowen may make a Change of Recommendation prior to the receipt of the Cowen Stockholder Approval, if, and only if, each of the following conditions is satisfied:

(1) it receives a Cowen Alternative Proposal not solicited and not resulting from or arising out of a breach of this Section 7.10 that constitutes a Superior Proposal and such Superior Proposal has not been withdrawn;

(2) it determines in good faith (after consultation with outside legal counsel), that in light of a Superior Proposal the failure to effect such Change of Recommendation would cause it to violate its fiduciary duties to Cowen stockholders under applicable Law;

(3) Ramius has received written notice from Cowen (a "Change of Recommendation Notice") at least five (5) Business Days prior to such Change of Recommendation, which notice shall (1) state expressly that Cowen has received a Cowen Alternative Proposal which the Board of Directors of Cowen has determined is a Superior Proposal and that Cowen intends to effect a Change of Recommendation and the manner in which it intends or may intend to do so and (2) include the identity of the person making such Cowen Alternative Proposal and a copy (if in writing) and summary of material terms of such Cowen Alternative Proposal; provided that any material amendment to the terms of such Cowen Alternative Proposal shall require a new Change of Recommendation Notice and at least two (2) Business Days prior to such Change of Recommendation; and

(4) during any such notice period, Cowen and its advisors have negotiated in good faith with Ramius (provided that Ramius desires to negotiate) to make adjustments in the terms and conditions of this Agreement such that such Cowen Alternative Proposal would no longer constitute a Superior Proposal.

53

(iv) Notwithstanding any other provision contained herein, (i) Cowen and its Board of Directors may comply with their disclosure obligations under Rules 14d-9 and 14e-2 under the Exchange Act and (ii) prior to the receipt of the Cowen Stockholder Approval, Cowen may, and may allow its Affiliates and Representatives to furnish or cause to be furnished nonpublic information or data and participate in such negotiations or discussions with any third party who has made a Cowen Alternative Proposal not resulting from or arising out of a breach of this Section 7.10, provided that Cowen and its Board of Directors concludes in good faith that such Cowen Alternative Proposal is reasonably likely to result in a Superior Proposal, provided further that any nonpublic information to be provided shall be provided pursuant to a confidentiality agreement entered into with such third party on terms no less favorable than the Confidentiality Agreement. Cowen shall promptly provide to Ramius any non-public information concerning Cowen provided to any other Person in connection with any Cowen Alternative Proposal that was not previously provided to Ramius. The Board of Directors of Cowen shall promptly consider in good faith (in consultation with its outside legal counsel and financial advisors) any proposed alteration of the terms of this Agreement or the Transactions proposed by Ramius in response to any Cowen Alternative Proposal.

(c) Definitions.

(i) "Alternative Transaction" means, other than the transactions contemplated by this Agreement, any offer, proposal or inquiry relating to, or any third party indication of interest in (i) any acquisition or purchase, direct or indirect, of 15% or more of the consolidated assets of a party or its Subsidiaries or 15% or more of any class of equity or voting securities (including membership interests) of a party or its Subsidiaries whose assets, individually, or in the aggregate, constitute more than 15% of the consolidated assets of the party; (ii) any tender offer or exchange offer that, if consummated, would result in such third party beneficially owning 15% or more of any class of equity or voting securities (including membership interests) of a party or its Subsidiaries whose assets, individually or in the aggregate, constitute more than 15% of the consolidated assets of the party, or (iii) a merger, consolidation, share exchange, sale of interests, business combination, reorganization, recapitalization, liquidation, dissolution or other similar transaction involving a party or its Subsidiaries whose assets, individually or in the aggregate, constitute more than 15% of the consolidated assets of a party.

(ii) "Superior Proposal" means any proposal made by a third party (A) to acquire, directly or indirectly, for consideration consisting of cash and/or securities, all or substantially all of the outstanding shares of Cowen Common Stock or the assets, net revenues or net income of Cowen and its Subsidiaries, taken as a whole and (B) which is otherwise on terms which the Board of Directors of Cowen determines in its reasonable good faith judgment (after consultation with its financial advisor and outside legal counsel), taking into account, among other things, all legal, financial, regulatory and other aspects of the proposal (including any break-up fees, expense reimbursement provision and financial terms, the anticipated timing, conditions and prospects for completion of such transaction, including the prospects for obtaining regulatory approvals and financing, and any third party approvals) and the person making the proposal, that the proposal, (i) is more favorable, including from a financial point of view, to Cowen's stockholders than the Transactions and the other transactions contemplated hereby and (ii) is reasonably likely to be completed.

54

7.11 Transaction Litigation. Cowen shall control the defense against any litigation brought by stockholders of Cowen against Cowen and/or its directors relating to the Transactions and the other transactions contemplated by this Agreement; provided, however, that Cowen shall give Ramius the opportunity to participate in the defense or settlement of any such stockholder litigation, and no such settlement shall be agreed to without the prior written consent of Ramius. Ramius shall control the defense against any litigation brought by members of Ramius against Ramius and/or its Managing Member relating to the Transactions and the other transactions contemplated by this Agreement; provided, however, that Ramius shall give Cowen the opportunity to participate in the defense or settlement of any such stockholder litigation, and no such settlement shall be agreed to without the prior written consent of Cowen. Each of Cowen and Ramius shall cooperate, shall cause its respective Subsidiaries to cooperate, and shall use its reasonable best efforts to cause its directors, officers, managers, members, employees, agents, legal counsel, financial advisors, independent auditors and other advisors and representatives to cooperate in the defense of any such stockholder or member litigation.

7.12 Registration Rights Agreement. Cowen and Ramius shall cause New Parent to execute and deliver to Ramius the Registration Rights Agreement, at or prior to Closing.

7.13 Assignment of Assigned Contracts and Warranties. At the Closing and effective as of the Closing Date, Ramius shall assign to Exchange Sub all of its rights under the Assigned Contracts. Notwithstanding the foregoing, no Assigned Contract shall be assigned contrary to law or the terms of such Contract and, with respect to Assigned Contracts that cannot be assigned to Exchange Sub at the Closing Date, the performance obligations of Ramius thereunder shall, unless not permitted by such Assigned Contract, be deemed to be subleased or subcontracted to Exchange Sub until such Assigned Contract has been assigned. Each of Cowen and Exchange Sub shall, and New Parent shall cause Exchange Sub to, assist Ramius in obtaining any necessary approvals to such subleases and subcontracts. Ramius shall use its commercially reasonable efforts to obtain all necessary consents and Cowen agrees to cooperate with Ramius in its efforts to obtain (including the submission of financial and/or other information concerning New Parent, Exchange Sub and Cowen and the execution and delivery of any agreements, documents or instruments reasonably requested by a third party), the consent of any third party to the assignment or transfer of the Assigned Contracts in all cases in which consent is required for assignment or transfer. Each of Cowen and Exchange Sub shall, and New Parent shall cause Exchange Sub to, take all reasonably necessary actions to perform and complete all Assigned Contracts in accordance with their terms if neither assignment, subleasing nor subcontracting is permitted by the other party, and Ramius shall pay over to Exchange Sub any amounts received by Ramius after the Closing Date as a result of performance by Exchange Sub of such Assigned Contracts. To the extent that Ramius performs under any Assigned Contract following the Closing, New Parent shall cause Exchange Sub to reimburse Ramius for any costs Ramius incurs as a result thereof.

7.14 Payment of Assumed Liabilities. Exchange Sub shall, and New Parent shall cause Exchange Sub to, promptly pay the Assumed Liabilities when the same become due, except to the extent that any such liability is being disputed in good faith and has been appropriately reserved for on the books and records of Exchange Sub.

55

7.15 FoF Asset Exchange Agreement.

(a) New Parent shall, and each of Ramius and Cowen shall cause New Parent to, fulfill its obligations under the FoF Asset Exchange Agreement in all respects, including the issuance at Closing of shares of New Parent Class A Common Stock and the JV Note in accordance with terms of the FoF Asset Exchange Agreement.

(b) Cowen shall not take any action, or fail to take any action, that would cause the representations and warranties of New Parent in Article V of the FoF Asset Exchange Agreement not to be true and correct in all material respects at Closing.

7.16 Tax Matters. Following the date hereof and prior to the Effective Time, the parties shall work together in good faith, shall consult with one another, and shall (consistent with their obligations under Section 6.2(k) hereof) use their respective reasonable best efforts (including by taking certain actions or refraining from taking certain actions, in each case, as reasonably requested by Ramius and at Ramius's sole cost and expense, provided that compliance with such requests shall not (x) significantly interfere with or impede Cowen's Ordinary Course of Business or (y) impose any significant costs, expenses or liabilities on Cowen or its Subsidiaries which costs, expenses or liabilities are not fully indemnified by Ramius) to cause the Transactions, taken together, to qualify as an exchange described in Section 351 of the Code. At the request of Ramius, to allow Ramius to obtain a tax opinion that the Transactions, taken together, qualify as an exchange described in Section 351 of the Code, Cowen shall provide a certificate of an officer of Cowen containing representations as to certain factual matters (which representations are consistent with the state of facts existing as of the date of such certificate), as the same may reasonably be requested by Willkie Farr & Gallagher LLP.

7.17 Investment Company Act. Each of Ramius and Cowen shall use its reasonable best efforts to ensure that, as of the Closing, New Parent shall not be required to register as an "investment company" for purposes of the Investment Company Act.

7.18 Payment of Award. Promptly following the receipt by Ramius of any final, binding and non-appealable award with respect to the matter set forth in Section 7.18 of the Ramius Disclosure Schedule, Ramius shall pay to New Parent the amount of such award up to a maximum of \$7,000,000 in the aggregate.

ARTICLE VIII

8.2 Conditions to Obligations of Ramius. The obligation of Ramius to effect the Transactions is also subject to the satisfaction, or waiver by Ramius, at or prior to the Effective Time, of the following conditions:

(a) Representations and Warranties. The representations and warranties of Cowen set forth in this Agreement shall be true and correct in all respects (without regard to any materiality qualifiers therein) as of the date hereof and as of the Effective Time as though made on and as of the Effective Time, other than representations and warranties that speak as of another specific date or time prior to the date hereof (which need only be true and correct as of such date or time); provided, however, that for purposes of determining satisfaction of this condition, such representations and warranties (other than the representations and warranties contained in Section 4.2(a), (b), and (c) and which shall be true and correct in all material respects) shall be deemed to be true and correct in all respects unless the failure or failures of such representations and warranties to be so true and correct, individually or in the aggregate, would have a Material Adverse Effect on Cowen. (b) Performance of Obligations of Cowen. Cowen shall have performed in all material respects all obligations required to be performed by it under Articles VI and VII of this Agreement at or prior to the Effective Time; and Ramius shall have received a certificate signed on behalf of Cowen by the Chief Executive Officer or the Chief Financial Officer of Cowen to such effect.

(c) by either Cowen or Ramius, if the Transactions shall not have been consummated on or before December 31, 2009 unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth in this Agreement;

(d) by either Cowen or Ramius (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of Cowen, in the case of a termination by Ramius, or Ramius, in the case of a termination by Cowen, which breach, either individually or in the aggregate, would result in, the failure of the conditions set forth in Section 8.2 or 8.3, as the case may be, and which is not cured within the earlier to occur of (i) thirty (30) days following written notice to the party committing such breach or by its nature or timing cannot be cured within such time period, and (ii) the nine (9) month anniversary of the date of this Agreement;

The party desiring to terminate this Agreement pursuant to clause (b), (c), (d), (e) or (f) of this Section 9.1 shall give written notice of such termination to the other party in

accordance with Section 10.3, specifying the provision or provisions hereof pursuant to which such termination is effected.

9.2 Effect of Termination.

In no event shall Cowen be required to pay the Termination Fee to Ramius more than once.

(d) Cowen acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement and are not a penalty, and that, without these agreements, Ramius would not enter into this Agreement. If Cowen fails to pay promptly any amounts due pursuant to this Section 9.2, Cowen will also pay to Ramius interest on the unpaid amount due under this Section 9.2, accruing from its due date, at an interest rate per annum equal to two percentage points in excess of the LIBOR.

Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” Words defined in the singular have the parallel meaning in the plural and vice versa. Words of one gender shall be construed to apply to each gender and the neutral gender. The term “party” refers to a party to this Agreement and the term “parties” refers to the parties to this Agreement. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any applicable law. The parties hereto acknowledge that each party hereto has reviewed, and has had an opportunity to have its counsel review, this Agreement and that any rule of construction to the effect that any ambiguities are to be resolved against the drafting party, or any similar rule operating against the drafter of an agreement, shall not be applicable to the construction or interpretation of this Agreement. The phrases “known” or “knowledge” mean, with respect to either party to this Agreement, the actual knowledge of, in the case of Cowen, the individuals set forth on Section 10.4 of the Cowen Disclosure Schedule, and in the case of Ramius, the individuals set forth on Section 10.4 of the Ramius Disclosure Schedule.

10.5 **Disclosure Schedules.** The statements in the Cowen Disclosure Schedule and the Ramius Disclosure Schedule relate to the provisions in the section of this Agreement to which they expressly relate; provided, however, that any information set forth in one section of the Cowen Disclosure Schedule or the Ramius Disclosure Schedule, as the case may be, shall also be deemed to apply to each other section to which its relevance is reasonably apparent. The Cowen Disclosure Schedule and the Ramius Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement.

72

10.6 **Counterparts.** This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other party, it being understood that each party need not sign the same counterpart.

10.8 **Severability.** Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability and, unless the effect of such invalidity or unenforceability would prevent the parties from realizing the major portion of the economic benefits of the Transactions that they currently anticipate obtaining therefrom, shall not render invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

10.9 **Governing Law; Jurisdiction.** This Agreement shall be governed and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and wholly performed within such state, without regard to any applicable conflicts of law principles. The parties

hereto agree that any suit, action or proceeding brought by either party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any federal or state court located in the State of Delaware. Each of the parties hereto submits to the jurisdiction of any such court in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of, or in connection with, this Agreement or the transactions contemplated hereby and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such action or proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

10.10 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY, IN ANY MATTERS (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

10.12 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms on a timely basis or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any court identified in the Section 10.9 hereto, this being in addition to any other remedy to which they are entitled at law or in equity (except as limited by Section 9.2(c) hereof).

10.13 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by either of the parties (whether by operation of law or otherwise) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. Except as otherwise specifically provided in Section 7.7, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any person other than the parties hereto any rights or remedies under this Agreement.

Section 7.1. Accuracy of Representations. The representations and warranties of Ramius set forth in this Agreement shall be true and correct in all respects (without regard to any materiality qualifiers therein) as of the date hereof and as of the Closing as though made on and as of the Closing, other than representations and warranties that speak as of another specific date or time prior to the date hereof (which need only be true and correct as of such date or time); provided, however, that for purposes of determining satisfaction of this condition, such representations and warranties shall be deemed to be true and correct in all respects unless the failure or failures of such representations and warranties to be so true and correct, individually or in the aggregate, would have a Material Adverse Effect on Ramius.

ARTICLE VIII.
OTHER AGREEMENTS, ASSURANCES AND ACKNOWLEDGEMENTS

Section 8.1. Exchange Consideration Transfer Restrictions.

(a) Subject to Section 8.1(b), following the Closing, Transferor shall not sell, assign, pledge, transfer or otherwise dispose of all or any part of the Class A Common Stock issued as part of the Exchange Consideration (including any other equity securities of New Parent issued or issuable in exchange for or with respect to such shares of Class A Common Stock (x) by way of dividend, split or combination of shares or (y) in

15

connection with a reclassification, recapitalization, merger, consolidation, other reorganization or similar transaction); *provided*, that (i) Transferor may assign all or any part of the Exchange Consideration to any Affiliate all of the outstanding equity interests of which are owned, directly or indirectly, by Transferor or by any person which directly or indirectly wholly owns Transferor, (ii) Transferor may, at any time, transfer a portion of the Exchange Consideration to the extent necessary to prevent Transferor from being in violation of the BHC Act or other federal, state or foreign banking Law (in Transferor's sole discretion); and (iii) Transferor may, in non-market private sale transactions, sell or transfer all or any part of the Exchange Consideration to third party investors ("Third Party Investors"); provided that, without the consent of Ramius, no such private sale transaction, individually or in the aggregate, shall result in any Third Party Investor and its Affiliates beneficially owning in excess of 10% of the outstanding shares of Class A Common Stock as of the completion of such transaction; provided further, that any transferee of all or portion of the Exchange Consideration referred to in clauses (i) or (iii) above shall agree in writing to be bound by Sections 8.1(a) and 8.1(b). Any purported sale, pledge, assignment, transfer or other disposition of all or of any portion of the Exchange Consideration in violation of this Section 8.1(a) shall be null and void and of no force and effect.

(b) The restrictions set forth in Section 8.1(a) shall expire and be of no further force or effect commencing one day after the six month anniversary of the Closing, with respect to the Common Stock included in the Exchange Consideration if and to the extent that following any sale, assignment, pledge, transfer or other disposition of such Common Stock by such holder, the Transferor, its Affiliates and its permitted third-party transferees in accordance with this Agreement and the Fourth Amended and Restated Limited Liability Company retain beneficial ownership of at least fifty percent (50%) of the sum of (x) the Class A Common Stock constituting Exchange Consideration and (y) the Common Stock constituting the aggregate Capital Contributions of the Series I Members under the Fourth Amended and Restated Limited Liability Company (as adjusted for stock splits, consolidations, recapitalizations, reorganizations, mergers and similar events affecting the New Parent capital). Following the second anniversary of the date of this Agreement, the transfer restrictions set forth in Section 9.1 with respect to the Exchange Consideration shall terminate. In addition, any such transfer restrictions shall terminate and cease to apply following a Lock-up Termination Event.

(c) Notwithstanding anything to the contrary in this Agreement, subject to any applicable provisions of the Insider Trading policy of New Parent, the UniCredit Parties and their Affiliates shall not be restricted from engaging in hedging or derivatives transactions with respect to shares of Common Stock of New Parent. Subject to receiving information regarding the beneficial ownership of Common Stock by the UniCredit Parties and their Affiliates through Ramius in accordance with the Fourth Amended and Restated Limited Liability Company of Ramius, the UniCredit Parties shall provide written notice to Ramius and New Parent reasonably promptly upon becoming aware that the UniCredit Parties and their Affiliates beneficially own, in the aggregate, less than 4.9% of the Common Stock of New Parent whether as a result of hedging or derivatives transactions or otherwise. New Parent will promptly inform Transferor in the event that it enters into any redemption, repurchase or similar transaction involving its

16

Common Stock that would reasonably be expected to result in an increase in Transferor's or its Affiliates' proportionate interest in the Common Stock.

(d) Notwithstanding anything to the contrary in this Agreement, but subject to the restrictions on transfer set forth in Section 8.01(a) and Section 8.01(b), unless permitted by applicable law, the UniCredit Parties shall not sell or dispose of any shares of Class B Common Stock they or their Affiliates may hold from time to time, except solely upon the consummation of any of the following events: (a) any disposition of shares of Class B Common Stock to the public in connection with a widely dispersed offering (including, without limitation, a public offering registered under the Securities Act), (b) any disposition by a holder of Class B Common Stock of shares of Class B Common Stock under Rule 144 or Rule 144A promulgated by the SEC under the Securities Act, or any similar rule then in force, of no more than two percent (2%) of the outstanding voting securities of New Parent, (c) any transfer by a holder of Class B Common Stock of shares of Class B Common Stock in a single transaction to an independent third party or "group" (as such term is used for purposes of Section 13(d) of the Exchange Act, whether or not applicable) of independent third parties who holds or acquires at least a majority of the outstanding voting securities of New Parent without regard to the transfer of any shares of Class B Common Stock.

(e) Pursuant to this Agreement and the Fourth Amended and Restated Ramius LLC Agreement, unless and until the UniCredit Parties and their Affiliates beneficially own, in the aggregate, less than 4.9% of the Common Stock of New Parent throughout any consecutive ninety (90) day period, BA Alpine Holdings Inc. or its Affiliate-designee shall have the right to nominate one (but no more than one) individual (the "Board Designee") to serve as a director on the board of directors of New Parent and New Parent shall nominate such designee (or a replacement designee) as part of the slate proposed by New Parent in connection with any vote to elect the board of directors of New Parent. In the event that the Board Designee ceases to be a member of the board of directors of New Parent, unless the UniCredit Parties and their Affiliates beneficially own, in the aggregate, less than 4.9% of the common stock of New Parent throughout any consecutive ninety (90) day period, BA Alpine Holdings Inc. or its Affiliate-designee shall be entitled to select another person to fill such vacancy and such person shall be appointed by New Parent to the board of directors.

(f) Subject to applicable law and stock exchange requirements, unless and until the UniCredit Parties and their Affiliates beneficially own, in the aggregate, less than 10% of the Common Stock of New Parent throughout any consecutive ninety (90) day period following the Closing, New Parent shall use reasonable best efforts to cause the Board Designee to be a member of each committee of the board of directors of New Parent.

(g) In connection with the closing of the transactions pursuant to the Transaction Agreement, BA Alpine Holdings Inc. shall, upon request by New Parent, notify New Parent at least ten days prior to the initial filing of the proxy statement to be submitted to the stockholders of Cowen in connection with the Transactions, the name of

its initial designee to the board of directors of New Parent. Such individual shall become a director of New Parent, effective the business day after the Closing.

(h) For so long as there is a Board Designee on the board of directors of New Parent, in the event that Transferor intends to sell or transfer all or a part of the Exchange Consideration in accordance with this [Section 8.1](#), such sale or transfer must be made in accordance with the Insider Trading Policy of New Parent attached hereto as Exhibit E, including, without limitation, limitations on sales during any “blackout periods.”

(i) For so long as BA Alpine Holdings has the right to a Board Designee, New Parent shall not amend its Insider Trading Policy (i) in any material respect or (ii) in any manner which would in its practical application discriminatorily affect only the UniCredit Parties and their Affiliates and which is not reasonably supported by rational legal or business purpose unrelated to the UniCredit Parties’ or their Affiliates’ investment in Common Stock (other than discriminatory treatment of the UniCredit Parties and their Affiliates), in each case without the prior written consent of Transferor, other than any changes that are required by law. New Parent will use commercially reasonable efforts to respond as promptly as reasonably practicable to any request for pre-approval under the Insider Trading Policy made by the UniCredit Parties or their Affiliates.

Section 8.2. Acknowledgements. Transferor acknowledges that anything in the JV LLC Agreement to the contrary notwithstanding, (i) the JV need not make any further distributions to any member of the JV until this Agreement is terminated; provided, that the (x) JV may make distributions of up to \$5,000,000 in the aggregate to Ramius and (y) Ramius shall cause JV to make payments of the Retained Fee Stream in accordance with Section 10.1(a) and the JV LLC Agreement and (ii) the JV’s or Ramius’s entering into an agreement to consummate any transaction, which consummation is subject to (and does not occur prior to) the occurrence of the Closing, shall not be deemed to violate the JV LLC Agreement.

Section 8.3. Actions of Cowen and Ramius. Each of Cowen and Ramius shall take all actions necessary to cause the New Parent Parties to comply with their respective obligations hereunder. Notwithstanding anything else in this Agreement to the contrary, to the extent that New Parent fails to fulfill any of its obligations under this Agreement due solely to the breach of this Agreement by either Ramius or Cowen, such breaching party shall be solely liable for any such failure by New Parent.

Section 8.4. Registration Rights Agreement. Cowen and Ramius shall cause New Parent to execute and deliver to Transferor the Registration Rights Agreement, at or prior to Closing.

Section 8.5. JV Note; JV Note Security Agreement. If the New Parent Revolver Execution has not occurred, Cowen and Ramius shall cause New Parent to execute and deliver to Transferor the JV Note and the JV Note Security Agreement, at or prior to Closing.

Section 8.6. Transfer Restriction — JV Interest. For a period of one year following the Closing, JV Acquiror will not sell, transfer or otherwise dispose of all or a portion

of the JV Interest and will not acquire any additional interest in the JV; provided that no sale, transfer or disposition to any unrelated third-party purchaser from JV Acquiror shall be prohibited hereunder.

Section 8.7. Reorganization. In connection with any merger, consolidation, tender offer, or any other transaction resulting in the stockholders of New Parent immediately before such transaction owning substantially the same aggregate voting power of the resultant entity, New Parent shall use its reasonable best efforts to ensure that BA Alpine Holdings’ right to designate a Board Designee to the surviving or succeeding parent company shall be preserved on the terms described herein, including the requisite ownership thresholds.

Section 8.8. Tax Treatment. The parties hereto agree to treat the JV Interest Exchange as a taxable transaction for U.S. federal income tax purposes that is not part of the Code Section 351 exchange contemplated by the Transaction Agreement. New Parent and JV Acquiror (and Cowen, as successor to JV Acquiror) agree to report the JV Interest Exchange consistently with the foregoing on all applicable tax returns and will not take any action, or knowingly fail to take any action, which action or failure to act could be reasonably likely to cause the JV Interest Exchange to be treated as a tax-free transaction for U.S. federal income tax purposes.

Section 8.9. Registration. Ramius shall in good faith evaluate and consider whether the shares of Class A Common Stock included in the Exchange Consideration may in accordance with applicable securities laws be included in the Registration Statement on Form S-4 (the “Form S-4”) to be filed by Cowen in connection with the transactions contemplated by the Transaction Agreement. If Ramius determines that such shares may be so included, Ramius shall use commercially reasonable efforts to include such shares in the Form S-4.

Section 8.8. Closing. Transferor, HVB AG, Cowen, Ramius and New Parent each acknowledge and agree that the parties to this Agreement intend (a) for the conditions to each party’s obligation to effect the Closing be satisfied no later than the time at which the conditions to effect the closing of the transactions contemplated by the Transaction Agreement are satisfied (other than the condition contained in Section 8.1(f) of the Transaction Agreement), and (b) to effect the Closing immediately following the satisfaction of the conditions to the obligations to effect the closing of the transactions contemplated by the Transaction Agreement (other than the condition contained in Section 8.1(f) of the Transaction Agreement). In furtherance and not in limitation of the foregoing, if, at the time the conditions to effect the closing under the Transaction Agreement have been met (other than the condition contained in Section 8.1(f) of the Transaction Agreement), the New Parent Revolver Execution has not occurred, New Parent shall execute and deliver, and Transferor shall accept, the JV Note and JV Security Agreement, such that the conditions to this Agreement shall be satisfied on or before the time that the conditions to effect the closing under the Transaction Agreement have been satisfied (other than the condition contained in Section 8.1(f) of the Transaction Agreement).

**ARTICLE IX.
TERMINATION**

Section 9.1. Termination. This Agreement shall terminate prior to the Closing solely as follows (and may not be terminated following the Closing):

- (a) By mutual written consent of the parties hereto;
- (b) upon termination of the Transaction Agreement; or
- (c) by either party in the event that the Closing has not occurred on or before December 31, 2009, unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth in this Agreement.

Section 9.2. Effect of Termination. In the event this Agreement is terminated pursuant to Section 9.1 all further obligations of the parties hereunder shall terminate, except for the obligations set forth in this Section 9.2 and Article XI, and except that such termination shall not relieve any party hereto of any Liability for any Breach of this Agreement prior to such termination.

**ARTICLE X.

Section 10.1. JV LLC Agreement. At the Closing, the JV LLC Agreement shall terminate as between the Ramius Parties that are parties thereto, on the one hand, and the UniCredit Parties that are parties thereto, on the other, except that:

- (a) Transferor shall remain entitled to its rights in and to the HVB Retained Fee Stream (as defined in the JV LLC Agreement) pursuant to Section 3.6(h)(ii) as if the transactions contemplated in this Agreement were occurring in connection with a Put/Call Event or Buy/Sell Right under the JV LLC Agreement and Ramius shall cause JV to make such payments in accordance with the JV LLC Agreement.
- (b) Section 8.1 (Confidentiality) of the JV LLC Agreement as to HVB AG and its Subsidiaries (as defined in the JV LLC Agreement) will survive indefinitely;
- (c) so long as the HVB Solicitation Agreement remains in effect, Section 6.7(e) (Sales Loads) of the JV LLC Agreement will survive; and
- (d) Section 10.1 (Indemnification) of the JV LLC Agreement shall continue to apply to the Transferor and its Affiliates with respect to the period during which Transferor was a member of the JV as if such Persons were "Members" or "Affiliates of Members" thereunder.

Investment Management Agreement, the JV Investment Management Agreement and the agreements with respect to the Ramius Funds and JV Funds into which investments have been made) between Ramius and any of its Subsidiaries (or Ramius Funds), on the one hand, and UniCredit and any of its Subsidiaries, on the other, shall remain in full force and effect with such modifications thereto as are contemplated by the UniCredit Consent and the Amendments.

(a) **Governing Law; Jurisdiction.** This Agreement shall be governed and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and wholly performed within such state, without regard to any applicable conflicts of law principles. The parties hereto agree that any suit, action or proceeding brought by either party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any federal or state court located in the State of Delaware. Each of the parties hereto submits to the exclusive jurisdiction of any such court in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of, or in connection with, this Agreement or the transactions contemplated hereby and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such action or proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) **WAIVER OF JURY TRIAL.** EACH OF THE PARTIES HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY, IN ANY MATTERS (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(c) **Enforcement.** The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms on a timely basis or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this

Agreement in any court identified in Section 11.4 hereto, this being in addition to any other remedy to which they are entitled at law or in equity.

Section 11.5. Waiver; Remedies Cumulative. The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable law, (a) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party; (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.

Section 11.6. Entire Agreement and Modification. This Agreement supersedes all prior agreements, whether written or oral, between the parties with respect to its subject matter (including any letter of intent and any confidentiality agreement between the parties related to the subject matter of this Agreement) and constitutes (along with the agreements described in Article X) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented, or otherwise modified except by a written agreement executed by the party to be charged with the amendment and Transferor.

Section 11.7. Disclaimers. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN ARTICLES III, IV, AND V OR IN ANY ANCILLARY AGREEMENT, EACH AS APPLICABLE, NONE OF THE PARTIES HERETO HAVE MADE OR HEREBY MAKE ANY EXPRESS OR IMPLIED REPRESENTATION AND WARRANTY, STATUTORY OR OTHERWISE, OF ANY NATURE.

Section 11.8. Assignments, Successors and No Third-Party Rights. No party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other parties; provided, however, that Transferor shall be entitled to assign its rights to receive shares of Class A Common Stock at the Closing to one or more of its Affiliates all of the outstanding equity interests of which are owned, directly or indirectly, by Transferor or by any person which directly or indirectly wholly owns Transferor. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors and permitted assigns of the parties. Nothing expressed or referred to in this Agreement will be construed to give any Person other than the parties to this Agreement any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement, except such rights as shall inure to a successor or permitted assignee pursuant to this Section 11.8.

Section 11.9. Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

Section 11.10. Construction. The headings of Articles and Sections in this Agreement are provided for convenience only and will not affect its construction or interpretation. All references to "Articles," "Sections" and "Parts" refer to the corresponding Articles, Sections and Parts of this Agreement.

Section 11.11. Execution of Agreement. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Agreement and of signature pages by facsimile or email transmission shall constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. Signatures of the parties transmitted by facsimile or email shall be deemed to be their original signatures for all purposes.

Section 11.12. HVB AG Obligation. HVB AG hereby agrees that it shall be jointly and severally responsible for the prompt and complete performance by Transferor, when due, of all of Transferor's obligations under this Agreement and the Ancillary Agreements.

Section 11.13. Survival. All representations, warranties, covenants and agreements in this Agreement shall survive the Closing. The right to indemnification, reimbursement or other remedy based upon such representations, warranties, covenants and agreements shall not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time, whether before or after the execution and delivery of this Agreement or the Closing, with respect to the accuracy or inaccuracy of or compliance with any such representation, warranty, covenant or agreement. The waiver of any condition based upon the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or agreement, will not affect the right to indemnification, reimbursement or other remedy based upon such representations, warranties, covenants and agreements.
